

PROCLAMATION.

PROVINCE OF NOVA-SCOTIA

BY HIS EXCELLENCY MAJOR GENERAL SIR JOHN GASPARD LE MARCHANT,

Knight, Knight Commander of the Orders of Saint Ferdinand, and of Charles the Third of Spain, Lieutenant Governor and Commander-in-Chief, in and over Her Majesty's Province of Nova Scotia and its Dependencies, &c. &c. &c.

WHEREAS, late last night, or early this morning, the City Powder Magazine, in the North suburb of the City of Halifax, was destroyed by the explosion of the Gunpowder stored therein, causing the destruction of human life, and great injury to public and private property and alarm to the inhabitants of the City; and whereas there is reason to believe that the same resulted from the wilful and malicious act of some person or persons unknown; I do hereby offer and proclaim a Reward of

FIVE HUNDRED POUNDS,

to be paid to any person or persons (not concerned in the commission of the crime) who shall cause to be discovered or apprehended and brought to justice the offenders or any of them, upon conviction.

And all Her Majesty's loyal subjects are hereby enjoined and requested to aid in the premises to the utmost extent of their ability, and to disclose to the nearest Magistrate, or to His Worship the Mayor of Halifax, any information they may possess or receive in relation to the subject.

Given under my hand and Seal at Arms, at Halifax, this fourteenth day of August, in the Twenty-first year of Her Majesty's reign, A. D. 1857.

By His Excellency's Command, CHARLES TUPPER.

GOD SAVE THE QUEEN!

LANGLEY'S ANTIBILIOUS APERIENT PILLS.

THE great popularity acquired by these Pills during the twelve years they have been offered for sale in this Province is a convincing proof of their value, as no undue means of increasing their sale have been resorted to by puffing advertisements—no certificate published concerning them.

These Pills are confidently recommended for Bilious complaints or morbid action of the Liver, Dyspepsia, Costiveness, Headache, want of Appetite, Giddiness and the numerous symptoms indicative of derangement of the Digestive organs. Also, as a general Family Aperient. They do not contain Calomel or any mineral preparation, are effectual in their operation, yet so gentle that they may be taken at any time with perfect safety, by persons of both sexes; nor do they as do most other Pills, necessitate the constant use of Purgative medicines, the ingredients of which they are composed effectually obviating this common ailment.

HEALTH OR SICKNESS?

CHOOSE BETWEEN THEM.

HOLLOWAY'S PILLS.

THE blood furnishes the material of every bone, muscle, gland and fibre in the human frame. When pure, it secures health to every organ; when corrupt, it necessarily produces disease. HOLLOWAY'S PILLS operate directly upon the elements of the stream of life neutralising the principle of disease, and thus radically curing the malady, whether located in the nerves, the stomach, the liver, the bowels, the muscles, the skin, the brain, or any other part of the system.

USED THROUGHOUT THE WORLD!

HOLLOWAY'S PILLS are equally efficacious in complaints common to the whole human race, and in disorders peculiar to certain climates and localities.

ALARMING DISORDERS.

Dyspepsia, and derangement of the liver, the source of infirmity and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases, however aggravated, acting as a mild purgative, alterative and tonic they relieve the bowels, purify the fluids, and invigorate the system and the constitution at the same time.

General Weakness—Nervous Complaints.

When all stimulants fail, the renovating and bracing properties of these Pills give firmness to the shaking nerves and enfeebled muscles of the victim of general debility.

DELICATE FEMALES.

All irregularities and alluents incident to the delicate and sensitive organs of the sex are removed or prevented by a few doses of these mild but infallible alternatives. No mother who regards her own or her children's health should fail to have them within her reach.

SCIENTIFIC ENDORSEMENTS.

The London "Lancet" the London "Medical Review" and the most eminent of the faculty in Great Britain, France and Germany have eulogised the Pills and their inventor.

Holloway's Pills are the best remedy known in the world for the following Diseases:

| | | | |
|------------------|-------------------|-----------------|--------------------|
| Asthma | Diarrhoea | Inflammation | Gravel |
