4 KENT ST., Halifax, 14th May, 1881. To Holman Pad Co., Halifax:

GENTLEMEN,—I suffered with a cough for years, upon which no other remedies seemed to have the slightest effect, and which so reduced me that I thought nothing could save me. As a "forlorn hope," I was induced to try the Holman Pad Remedies. Your treatment has made an entirely new man of me. My cough has entirely disappeared; Rheumatism nearly all gone, and I am gaining flesh rapidly. I hear of aumbers who also confidently recommendeverything else has failed.

Yours, very truly,

JOHN LITTLE. numbers who are praising your remedies, and I also confidently recommend them, even where

OUR CHILDREN

Why compel them to take those vile and nause ating medicines, when PUTTNER'S EMULSION is so palatable and nice, and produces better results than any other. Most astonishing reports are daily recorded in favor of its cures, where other preparations of the kind have failed, and then been cast aside in disgust.

FOR DELICATE WOMEN, who are suffering from Ancemia and Weakness, caused from Over-Nursing, PUTTNER'S EMULSION is just what is required to give tone to the system, and will immediately build them up in health and strength.

MOTHERS: MOTHERS: MOTHERS:

Are you disturbed at night and broken of your Are you distribed at hight and broken of your rest by a sick child suffering and crying with the exeruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINS LOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it: there is no mistake about it. There is not a mother on earth who has ever used it who will not tell you at some that it will used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases; and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States Sold everywhere at 25 cents a bottle.

Rest and Comfort to the Suffering.

"Brown's Household Panacea" has no "Brows's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Soar Throat, Rheumatism, Toothache Lumbago, any kind of a Pain or Ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." Brown's Household Panacea, being acknowledgd as the great Pain Reliever, and of double the strength of any the Elivie or Limitert in the world, should be ther Elixir or Liniment in the world, should be n every family for use when wanted, as it really s the best remedy in the world fer Uramps in he Stomach, and Pains and Aches of all kinds. ns for sale by all Druggists at 25 cents a hot-

THE COMMON EXPRESSIONS, "I feel so dragged," "My Food don't Digest," "I don't feel fit for anything," which we so often hear during the Spring and early Summer months, are conclusive evidence that the majority of people require at that season especially a RELIABLE medicine that will strengthen the organs of digestion, it inulate the circulation of the blood, and "tone up" the debilitated constitution.

HANINGTON'S "QUININE WINE AND IRON," taken according to directions, produces baoyancy of spirits, vigor of mind, and gives lasting strength to the whole system.

The prospectus of the St. John Cotton Sanufacturing Company with a capital of \$200,000, has been issued.

It is estimated that there will be about 12,000,000 feet of logs hung up this year on Aroostook and St. John waters.

The elections in Pictou and Colchester Counties, N. S., on Saturday, resulted in the return of Hon. A. W. McLellan and Mr. John McDougall.

Miss Augusta Steadman, of Mill Vilage, Queen's Co., N. S., received a diploma from the Women's Medical College of New York, on the 31st ult.

Ottawa, June 18.-Lord Montague and Mr. Debunston of the British Legation, Washington, are in Quebec and are the guests of the Governor-General.

The Canada Temperance Act is now in force in twenty-two counties and two cities in the Dominion, the Maritime Provinces containing twenty of the total

Ottawa, June 16.—Arrangements for Dominion Day are completed. Nearly all the great oarsmen in America will be present and take part in the boat race, of which Hanlan will be referee.

Montreal, June 17.-Yesterday afternoon while Vespers were being sung in the small chapel of Mascouche Convent a fire broke out in the adjoining shed and soon the Convent, three stories high, valued at \$6,000, was burned.

Among the papers read before the American Society of Engineers, which met in Montreal June 17th, was one by Sanford Fleming, C. M. G., upon the subject of cosmopolitan time and a prime meridian common to all nations.

A special cablegram to the Toronto Telegram says:—A cargo of Manitoba wheat sent to Liverpool has been carefully examined by leading millers and importers. It is pronounced the finest in the market, and three-pence per bushel more is offered for it than for the finest California.

According to the latest revision of the Wimbledon Team, the following will represent the Lower Provinces: Sergt. Weyman, 88th Cavalry; Capt. Weston, 63rd Batt.; Private Bent, Cumberland Batt. Capt. Curran, of Halifax, will act as Adjutant.

St. John, N. B., June 17.—In the four years that have elapsed since the fire, the total number of brick and stone buildings erected in the burnt district is 438, at a cost of \$4,237,800; and the total number of wooden buildidgs erected in the same district is 683, at a cost of **8**936,887.

The prize list of the third annual Dominion Exhibition, to be held at Halifax, Nova Scotia, from September 21st to September 30th, is at hand. The cash prizes amount to \$15,000. New England, as well as Ontario manufacturers are expected to make large demands for space.

A letter has been received from Mr. W. D. Bentley, Brazillian Consul to Canada, stating that necessary arrangements have been made with French capitalists for a line of steamers between Montreal, Halifax, and Rio Janeiro. The first vessel will sail from Montreal on first of August. Mr. Bentley sails trom England to Canada on the 22nd inst.

the American Society of Engineers to-day, after addresses of welcome, Vice-President Welch referred to the hearti-ness of the reception they had ness of the reception they had met with in Toronto and Montreal. This afternoon the members of the Convention, in some seventy carriages, drove around the city and up to the mountain. They will visit Ottawa to-morrow

The new brigt. Brazil was towed up to the Dominion wharf, Windsor, at 5 o'clock this a. m. But a few minutes before, this vessel had been salely launched at Avondale, where she was built by Mr. Jas. Mosher for Mr. R. I. Hart, of Halifax. Her register tonnage is 223 length over 110 ft., breadth 27.2; depth, 11.4 The brigt made a fine appearance as she floated lightly upon the water. That she is handsome and thoroughly built may be inferred from the fact that she comes from the Avondale shippard It is understood that the Brazil is intended for the sugar business, and it is to be hoped that the enterprising owner will reap the advantage which is certain to be the result of the N. P.

The barque Flora P. Stafford, of Windsor, 1120 tons, built at Cornwallis last year, and owned by Mr. R. M. Rand, of Canard, and others, was run into by a steamer off Delaware Breakwater, and sunk. She was on the voyage from Bordeaux to Hampton Roads, in ballast,

and was commanded by Capt. Smith. Her crew were landed at Liverpool, G. B. The captain of the barque states that the collision was the fault of the steamer. There is \$24,000 insurance on the barque in Halifax offices.

There is on exhibition at the office of W. S. Symonds & Co., Halifax, as magnificent a lot of gold quartz as ever was seen in Nova Scotia. Miners say it is the finest lot they ever saw. The quartz on exhibition is wonderfully rich, some of the specimens being held together by gold running through them. They were obtained from the Montague gold mine and are the results of a single blast,evidently a bonanza of no common dimensions has been brought to light by the blast. It was estimated that the gold contained in the quartz is worth several hundreds of dollars.
