Sir Isaac Newton earned fame by seeing an apple fall. Some people make money by keeping an apple stand.

DON'T BE FOOLED.—When you require a worm expeller ask for Nelson's Cherokee Vermifuge and take no other. Always reliable and pleasurable to take.

When a stylish girl goes down the street almost all the young men feel a sort of a blind impulse to follow the fashion.

LIONS ABOUT.—It is a dangerous thing to trifle with a cold. A darky preacher once told his hearers that "he thanked God that the devil went about as a roaring lion, seeking whom he might devour. He might catch a poor fellow who didn't know that he was near him, but when he heard the roar he could get out of the way, if he didn't he deserved to die." So when one hears the wheeze or cough which tells of the old lion of consumption lurking around, he should fly and get Minard's Liniment, and use it freely on the chest, and take Minard's Honey Balsam internally, and get out of the way of danger. These preparations are well known having been tried for 30 years, and are acknowledged by all who use them to be unsurpassed in their soothing and healing properties.

NERVILINE. WHAT IS IT ?

Nerviline is a combination of the most powerful pain relieving substances known. Nerviline is not a nostrum, but a preparation which has received from members of the medical profession, clergymen, the press and others most enthusiastic endorsement. If suffering from pain of any kind, external or local give Nerviline a trial. Nerviline cures toothache, cramps, neuralgia, and almost instantly. Trial bottles 10 cent, large bottles 25c, at druggists and dealers everywhere.
