FINANCIAL.

MONTREAL, October 8.

The money market was active to-day. Good mercantile paper is discounted at 7 per cent. The following are the sales at the regular Stock

COMMERCIAL.

Grocery Markets.

TEAS.—Business is still confined principally to the wants of regular dealers buying for imme-diate wants. A fair sort of movement has taken place, however, and, covering back sales, we learn of 800 Formosa, 1,400 Amoy, 950 Japans, and 700 Greens.

diate wants. A fair sort of movement finstaken place, however, and, covering back sales, we learn of 800 Formosa, 1,400 Amoy, 950 Japans, and 700 Greens.

Coffee. The market for Brazils was again pretty slow, and this commences to show more plainly upon the tone of the market, as the feeling for the day was weaker than at any time since the opening of the month, and the quotations are reduced jc, per lb, making 16jc, a top rate on fair cargoes. Java is dull and nominally unchanged, and additional arrivals of 6,000 pleuts are reported.

Sugais,—On Baw the tone is a little unsettled, and values slightly nominal. A portion of the trade, and probably some of the largest holders, continue to talk very firm and keep their limits of valuation right up to the former extreme range of quotations, but are not selling many grades; and other holders say they cannot effect a movement of stock, except at a fractional shading.

Molasses.—Foreign stock of destrable quality continues under good control, the quantity here and to arrive not amounting to a very full total. The holders naturally look for extreme rates, with some degree of steadiness. The demand, however, is not of a very encouraging character; as boilers and grocers are not in need of supplies and could hardly be reached, except at a shading from former rates.

Frutt—Foreign dried.—Raisins are moving fairly, but rule somewhat irregular in price, with Valencias particularly easy. Recent sales embrace 1500 boxes layers at \$1.72 to 1.75 for new and 1.70 for old; 13,000 boxes loose muscatel at \$1.72 for new and \$1.72 to 1.75 for new; and 1.70 for old; 13,000 boxes loose muscatel at \$1.72 for new and 1.70 for particularly easy. Recent sales embrace about 1,250 bbls mostly at 41 to 41c, with some small lots at 41c. Nuts rather quiet as yet boxes have been shaded about te to 2 in price, which has led to a fairly active business. Sales embrace about 1,250 bbls mostly at 41 to 41c, with some small lots at 41c. Nuts rather quiet as yet but full former prices are generally rea 100 hoxes 80s to 100s 60 c, to 110s at 71 to 81c. COFFEE.

HALL "CHAMPION"

DRIVEN BY HORSE OR STEAM POWER.

THE STANDARD THRASHING MACHINE! In the United States and Canada ever since introduced by the late JOSEPH HALL in 1828. The Hall Champion Thrashing Machine has been gradually and carefully improved each year as experience proved wise and desirable. No changes have been hastily made and called improvements. The greatest possible care has been exercised in the construction of all the working parts of the machine so as to save the necessity of repair and prevent annoying delays which are caused by breakages. Nothing but the very best of material has been used throughout the machine, and the workmanship is unsurpassed. Our machines are supplied with our
