ร์สร้าง) เล่สร้าง ซิส เรมาสร้ min 1 70 69 1 Kossuth has received a severe rebuke from a fellowcountryman, M. Steredz, in a letter from which the following is an extract:—"We find that the crimes of the intolerant power, Protestant Prussia, is more than of the whole, Catholics in France, Belgium, Spain, Bavaria, Poland, Austria, Italy, and Hungary. We see—to walk through the inhospitable streets of We see—to walk through the inhospitable streets of London—the crowned goddess of demoralization.—H horrifies us to see in the police reports, the hundredth of performed crimes by the members of the high English Church—murders of every kind, thefts of a most decided nature, forging of a most cunning and tricking character, demoralizations the most corrupt. With one word, a corrupt nation is quite ready to perform any kind of crime to obtain a triffing me to perform any kind of crime to obtain a trifling ma terial advantage. M. Kossuth is now pandering to the anti-Catholic bigotry of England; he who, to his own ambition, has sacrificed the constitutional free-dom of a whole nation, and delivered the once free people into the hands of despotism. We know that in Hungary all the constitutional freedom are the works of the High Priest of Hungary; we know that: the model of all constitutions, the Aurea Bulla of Hungary, it was the work of the Pope, and of the Bishops of Hungary of that time, A. D., 1200. Who will deny that the better laws and original rudiments of the so-called British freedom are the work of the old Catholic priesthood? Science and arts cultivated by them are now vanished, amidst the loud low cries of Protestantism. Who will contradict this very truth?"

FASTING .- Fasting has been frequently recommended and practised, as a means of removing incipient disease, and of restoring the body to its customary healthful sensations. Howard, the celebrated philanthropist, used to fast one day in the week.— Franklin for a period did the same. Napoleon, when he felt his system unstung, suspended his wonted repast, and took exercise on horseback.

MESSES. FLEMING BROS.

WF Gentlemen-Having experienced the beneficial effects of Dr. M'Lane's Celebrated Liver Pills, prepared by you, I take great pleasure in recommending them to the public. I feel warranted in saying, that they are a certain cure for liver complaints and all bilious discases, no matter how difficult or long standing. I myself was afflicted with this dreadful disease for over two years, and oh! how thankful I am that I heard of these Pills. I purchased of one of your agents three boxes, and before I had finished the third box, was completely cured. I verily believe, but for Dr. M'Lane's Liver Pills, I should have now been in my grave; but as it is, I am now enjoying the best of health and stand a living witness of the efficiency of DR M'LANE'S LIVER PILLS. Besides recovering my health, I consider that I have saved in pocket some two or three hundred dollars physician's fees. This testimony I give you with the greatest pleasure, and hope it may do something towards making these invaluable Pills known to all who are suffering

with liver complaint. WILLIAM HISS, Traveler in Western N.Y.

THE INDE WITHERD AYER'S Cathartic Pills

CLEANSE THE BLOOD AND CURE THE SICK. Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF

Il cadache, Sick Headache, Foul Stomach.

Prissural, Pa., May I, 1865.

Dr. J. C. Aren. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your lills. It seems to arise from a foul stomach, which they cleaned to one. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect,

ED. W. PREBLE, Cerk of Stamer Carion.

ED. W. PREBLE, Cark of Scamer Carion.

Bilious Disorders and Liver Complaints.

Department of the Interior, Washington, D.C., 7 Feb., 1856.

Sir: I have used your Fills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have widous found a care of bilious discress obstinate that it did not readily yield to them.

Fraternally yours,

ALONZO BALL, M. D., Prystician of the Marine Hospital.

Dysentery. Relay. and Worms.

ALONZO BALL, M. D., Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

Post Office, Harman, Liv. Co., Mich., Nov. 16, 1855.

Dr. Ayen: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be declored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysenter. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars dectors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. ODO. J. GRIFFIN, Postmaster.

Indigestion and Impurity of the Blood.

From Rev. J. V. Himes, Partor of Advent Church, Roston.

Dr. Ayer: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

Warsaw, Wyoning Co. N. Y. Oct. 24, 1855.

Dran Sin: I am using your Catbartic Pilis in my practice, and find them an excellent purgative to cleanse the system and purity the fountains of the blood.

JOHN G. MEACHAM, M. D.

Lrysipelus, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.
From a Forwarding Merchait of S. Louis, Ph. 4, 1856.
DE. Aven: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of alcrous stress upon her lands and fact that had proved incumble for years. Her mother has been long grievously afficied with blotches and pimples on her skin and in her hair. After our child was cured, the also tried your Fills, and they have cured her.

ASA MORGERIOU.

ASA MORGEPOGE.

Rheumatism, Neuralgia, and Gont.

From the Rev. Dr. Hawkes, of the Methodist Epis, Charch.
Pulase House, Savannan, Ga., Jan. 6, 1856.

Honord Sir: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating nearalgic pains, which ended in chronic rheumatism. Notwithstanding I had the best physiciaus, the disease grow worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but cure. By persovering in the use of them I am now entirely well.

Senate Chamber, Baron Rouge, La., 5 Dec., 1856.

SENATE CHAMBER, BATON ROUGE, La., 5 Dec., 1855. DE. ATER: I have been entirely cured by your l'llis of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL. For Dropsy, Plethora, or kindred Com-plaints, requiring an active purge, they are an excellent

remody. For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Dearness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incan-tious use. These contain no mercury or mineral substance

CROUP, ASTHMA, INCIPIENT
CONSUMPTION, and for the relief of consumptive patients in advanced stages

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the Cherry Pictoral saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the ineverable canker that, fustened on the vitals, eats your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.
