Judge Douglas has written a letter to certain citizens of New Orleans, taking strong ground against secession. He says:—"It is not pretended, as far as I am informed, that any provision of the Constitution has been violated in the recent election. No act has been done which impairs or destroys the constitutional rights of any State or citizen. Nothing has yet occurred to release any citizen from his oath of fidelity to the Constitution of the United States, which is the supreme law of every State and of every

Louis Napoleon Now and THEN .- The San Francisco Allas says there is a clerk in a wholeasle dry goods store in that city, who was a clerk in a whole-sale dry goods store in New York, when Louis Napoleon was a poor seedy outcast, and unable to get trusted even for a dinner. In this sad strait Napoleon used to come and wait on the opposite side of the street, until the clerk had shut up the store, when both would go to a cheap restaurant and dine the cierk, of course, paying. Napoleon never ven-tured to enter the store, because the proprietor would perhaps, have discharged his employee for keeping such company. So he waited patiently outside What a change in the fortunes of the then needy adventurer. Now his genius governs Europe, and he occupies the most splendid position on the world's

A HEART IN THE RIGHT PLACE .-- I am wedded, Coleridge, to the fortunes of my sister and my poor old father. Oh, my friend, I think sometimes could I recall the days that are passed, which among them should I choose? Not those merrier days, not the pleasant days of hope, not those wandering with a a fair-haired maid, which I have so often and so feelingly regretted - but the days, Coleridge, of a mother's fondness for her schoolboy. What would I give to call her back to earth for one day, that I might, on my kness, ask her pardon for those little asperities of temper which from time to time have given her gentle pain! And the day, my friend, I trust, may come, when there will be time enough for kind offices of love, if heaven's eternal years be ours. Oh, my friend, cultivate the filial feeling Let no man think himself released from the kind charities of relationship! These are the best foundations of every species of benevolence.—Charles

DYSPEPSIA

There is perhaps no disease which destroys the happiness and comfort of individuals, and families to the same extent as Dysnepsia or Indigestion.

Previously to the discovery of the ONYGENATED BITTERS.

There existed no medicine accessible to those suffering from this wide spread disease, which relieved it

in any marked degree. The power of these Bitters over the above memeddisease as well as over all those having their origin in imperfect digestion, and functional diseases of the stomach, as well as Ashmit and General Debility is beyond all question.

Its speedy and permanent cares of some of the severest and stubborn cases on record is sufficient confirmation of this fact.

# OXYGENATED BUTTERS IN CANADA.

The Eddor of the Montreal Pilot, Sept. 2 1856 cays: recommending to our friends as Dr. Green's Oxygeauted Bitters. Unlike most proprietory medicines, it does not profess to cure "all the ills flesh is heir to," but simply Dyspepsia and its attendent symptoms of derangement of the stomach. It has long been held in favor with our first medical men; some of whom are never backward in awarding merit where it belongs. Its success in our city has given it a reputation surpassed by no other similar preparation. Our attention has been called to this subject by a young man in our office who had been suffering for some weeks severely from indigestion, loss of appetite &c. having been entirely relieved in a few days by the use of the Bitters; there are hunreds who will read this who need such a medicine, and would use it if they half the confidence in it we have.

None genuine unless signed I. BUTTS on the wrapper.

Ayer's Ague Cure.

FROM THE PRESS.

Mr. John Jackson, publisher of the Calais Advertiser, writes: I know it be all it is recommended; having used it in my family for six or seven years. Every mother and housekeeper must often act as a family physician in the numerous illnesses and accidents that occur among children and servants .-For many of these cases, Davis's Pain Killer is an

indispensable article. In diarrhos it has been used

and effected cures. For cuts and bruses it is invaluable.—N. Y. Examiner.

PERRY DAVIS'S PAIN KILLER.—This medicine has become an article of commerce-a thing no medicine ever became before. Pain Killer is as much an item in every bale of goods sent to country merchants, as Tea, Goffee, or Sugar. This fact speaks volumes in its favor.—Gtens Fulls Messenger.

DAVIS'S VEGSTABLE PAIN KILLER. - Notwithstand ing the many imitations of this article, and many other medicines in the market pretending to answer the same purpose, yet the sale of Perry Davis's Vegetable Pain Killer is more than the whole of them put together. It is one of the few articles that are just what they pretend to be. Try it .- Brunswick Telegraph.
