A. M. D. G. ST. MARY'S COLLEGE, MONTREAL

PROSPECTUS. THIS College is conducted by the Fathers of the

Society of Jesus.

Opened on the 20th of September, 1848, it was incorporated by an Act of Provincial Parliament in 1852, after adding a course o Law to its teaching department. The course of instruction, of which Religion forms

the leading object, is divided into two sections, the Classical and the Commercial Courses.

The former embraces the Greek, Latin, French and English languages, and terminates with Philosophy.
In the latter, French and English are the only languages taught; a special attention is given to Book keeping and whatever else may fit a youth for Commercial pursuits.

Besides, the Students of either section learn, each one according to his talent and degree. History and Geography, Arithmetic or higher branches of Mathematics, Literature and Natural Sciences.

Music and other Fine Arts are taught only in a special demand of parents; they form extra charges. There are, moreover, Elementary and Preparatory Classes for younger students.

Aver's Cathartic Pills,

For all the purposes of a Laxstive

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every countryand among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any

tried it, know that it cured them; those who have not, know that it cured them; those who have not, know that it cured them; those who have not, know that it cured them; those who have not, know that it cured them; those who have not, know that it cured them; those who have not, know that it cured them; those who have not and so feerificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by any body. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Filts rapidly cure:—
For Dyspepsia or Endigestion, Listless—ness, Languor and Loss of Appetize, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Billions Healtache, Sick Headache, Juundics or Green Sickness, Hilious Colic and Billious Fevers, they should be judicionsly taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diatrinea, but one mild dose is generally required.

For Rheamatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change the deseased action of the System. With such change the deseased action of the system. W

the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken as it produces the desired effect by sympathy.

As a Dismor Fill, take one or two Fills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

THE MONTREAL TEA COMPANY.

6 Hospital Street, Montreal.

Mo treal, March 19th, 1869

The Whole Dominion should buy their Teas of the Importers, THE MONTREAL TEA COMPANY,

medical authorities and judges of Tea, have been pronounced to be quite pure and free from any artificial colouring or poisonous substances so often used to improve the appearance of Tea. They are unequalled for strength and flavour. They have been chosen for their intrinsic worth, keeping in mind health, economy, and a high degree of pleasure in drinking them. We sell for the smallest possible profits, effecting a saving to the consumer of 150 to 20c per lb. Our Teas are put up in 5, 12, 15, 20 and 25 lb boxes, and are warranted pure and free from poisonous substances. Orders for four 5 lb Loxes, two 12 lb boxes, or one 20 or 25 lb box sent carriage free to any Railway Station in Canada. Tea will be forwarded immediately on the receipt of the order by mail containing money, or the money can be collected on delivery by express man, where there are express effices. In sending orders below the amount of \$10, to save expense it would be better to send money with the order. Where a 25 lb box would be too much, four families clubbing together could send for four 5 lb boxes, or two 12 lb boxes. We send them to one address carriage paid, and mark them to one address carriage paid, and them to one address carriage paid the paid them to on returned at our expense.
