**AT** a Meeting of the Council on Thursday, the 13th of August, the following Minutes were passed:—

2. Resolved—That for the reasons herein stated, Council having been compelled to relinquish their plan the Church of England Proprietary School is hereby given up accordingly.

3. Read a proposal from Mrs. Poetter, offering to open a School upon the same plan as that intended for the Church of England Proprietary School.

Whereupon it was resolved—

That inasmuch as the Council had intended to place Mrs. Poetter at the head of the Educational Department of the Church of England Proprietary School, they have the less hesitation in acceding to Mrs. Poetter's proposal, and they hereby allow her to state that she has their sanction for using their name, and they hope that her exertions may meet with that success which she so well deserves."

The whole Stock being manufactured in his premises, with every advantage for cutting and making up, is most calculated for giving satisfaction to buyers.

J. C. has a few maxims in the management of his daily increasing business, which from principle he cannot deviate from, viz:

On all occasions speaking the truth, whether in favour of the buyer, or against the Seller. Serving a customer in a way that secures their calling again should an opportunity present itself. Dealing with others in a way that he would wish others to deal with himself.—Asking the lowest price at once.

A nimble sixpence is better than a slow shilling.  
Small profits and quick returns makes a heavy purse.
