### AN EMINENT JURIST

resident in British Columbia, took out a \$5000 Policy with The Great-West Life Assurance Company fifteen years ago. The policy recently matured, and the insured thus expresses his view of the contract:

"I find on figuring out my payments to The Great-West Life that I have not only had protection for a period of fifteen years for the face value of my contract, \$5000, but have received a return of 6% compound interest. It is certainly very gratifying to obtain such a handsome cash surrender on my investment."

The Great-West Policies have but to be known to be appreciated. RATES ON REQUEST.
