Mercantile Summary.

LESKARD is to have a woolen factory.

The oatmeal mills of Oill & Reid at St.
Thomas, were re-opened by Geo. Gray last
week.

MESSRS. Carbray & Routh, of Quebec, have
chartered the *Lydia*, to take a cargo of Ottawa
sawn lumber from that city to Glasgow.

A LARGE grain warehouse, with a deep water
frontage, is to be built in Quebec by the St.
Lawrence Warehousing Co.

At the Glencoe cattle fair on the 5th instant
there were 1,000 head of cattle offered. The
average price paid by the drovers was \$18 per
head.

MESSRS. Lingham & Co., cattle dealers of
Belleville, have orders for 2,000 head of beef
cattle to be delivered in the British market be-
fore Christmas.

FIFTY thousand pounds of butter, valued at
\$9,000, was delivered in Peterboro in one day
last week; on the following day 15,000 lbs.
were delivered.

ONE month's exports to Britain (September)
from the United States and Canada consisted
of 6,150 head of horned cattle, 19,241 sheep,
1,208 pigs, 41 horses and 24 mules. The deaths
at sea during that month were 448 sheep, 225
cattle, and 59 pigs.

A FATAL want of memory and an overplus of
carelessness: to forget to affix stamps to one's
note, and to neglect to have registered a co-
partnership. The result is to be condemned to
pay a penalty of \$200, in each case. Judge-
ments of this tenor, says the *St. Johns News*,
are on record at the Court in Sweetsburg, Que.

Two hundred tons of phosphate from the
Templeton mines have been sold, says the *Perth
Expositor*, by Mr. Blackburn, to be shipped to
the United States. Mr. Humphrey, with a
gang of men, has commenced operations in a
phosphate mine in the Gore of Templeton,
recently purchased from Mr. W. Allan, of
Ottawa, by a Montreal firm.
