

A *sympathetic* editor and an *authoritative edition* are two things eagerly sought for by Shakespeare students. Both are much in evidence in

The New Hudson Shakespeare

Many qualities stamp this as the ideal edition for students' use. This, the work of a world-famous Shakespearean scholar and editor, gains greatly in a number of ways by its revision.

The value of the notes has been decidedly increased by the addition of recent results of Shakespearean research.

The critical material now comprises analyses of dramatic construction by act and scene of each play and historical discussions of plot source.

The mechanical beauty of the volumes, instead of putting them out of the student's reach, has, instead, rendered them eminently suitable for his use. The price, moreover, is low.

Sixteen volumes now ready. Thirty cents the volume.

The SAFEST Matches IN THE WORLD. Also the CHEAPEST, are **EDDY'S** "SILENT 500s"

SAFEST—Because they are impregnated with a chemical solution which renders the stick "dead" immediately the match is extinguished.

CHEAPEST—Because there are more perfect matches to the sized box than in any other box on the market.

War time economy, and your own good sense, will urge the necessity of buying none but
