

1 the weakness of the economy; but Canada is the only Country
2 in the World that is currently exporting both oil and wheat!
3 So that is not a bad position to be in!

4 MINISTER LALONDE: As you look at what is still
5 in the ground as a possibility, it is just tremendous!

6 Tremendous!

7 MR. DUKE: So you have to be optimistic!

8 Thank you very much, Mr. Minister, for an
9 interesting and stimulating conversation about Canada and
10 its problems.

11 Thanks to you, too, John Anderson of the Washington
12 Post, and Michel Tatu of the Paris newspaper, La Monde.

13 I am Paul Duke, in Washington.
