

cies other than the United States Customs Service. Fur products are also subject to the Endangered Species Act, and importation of certain fur skins would be prohibited.

Animals

Cattle, sheep, goats, swine and poultry should be accompanied by a certificate from a salaried veterinarian of the Canadian government to avoid delays in quarantine.

Wild animals and birds are prohibited from importation into the U.S. if captured, taken, shipped, possessed or exported contrary to the laws of the foreign country of origin. In addition, no such animal or bird may be taken, purchased, sold or possessed contrary to the laws of any state, territory or possession of the United States.

Plants and Plant Products

Import permits issued by the U.S. Department of Agriculture are required.

Regulations may restrict or prohibit importation.

Shipments of agricultural and vegetable seeds and screenings are detained pending the drawing and testing of samples. Such items are governed by the provisions of the Federal Seed Act of 1939 and regulations of the Agricultural Marketing Services, U.S. Department of Agriculture.

Postal Shipments

Parcels of aggregate value not exceeding \$(US) 5 may be admitted free of duty.

Commercial shipments valued at more than \$5 must include a commercial invoice and a customs declaration on the form provided by the Canadian Post Office and give an accurate description and value of the contents. The customs declaration must be securely attached to the package.

If the shipment comprises two or more packages, the one containing the commercial invoice should be marked "Invoice Enclosed;" other packages of the same shipment may be marked as "No. 2 of 3, Invoice Enclosed in Package No. 1."
