

4. For more information

The Environmental Services Division (JEN) provides advice and assistance to DFAIT project officers at Headquarters and at missions on applying the CEAA process and POC Regulations. Contact the Director at 944-0428, fax 944-0432.

Document summaries and copies of the CEAA and POC Regulation, are available from the Canadian Environmental Assessment Agency's internet home page. The address is www.ceaa.gc.ca. Look under "Legislation, Cabinet Directives, Guidelines Order" and click on "Canadian Environmental Assessment Act and Regulations".
