

Internees undergoing punishment shall be enabled to keep themselves in a state of cleanliness.

Women internees undergoing disciplinary punishment shall be confined in separate quarters from male internees and shall be under the immediate supervision of women.

ARTICLE 125

Internees awarded disciplinary punishment shall be allowed to exercise and to stay in the open air at least two hours daily.

They shall be allowed, if they so request, to be present at the daily medical inspections. They shall receive the attention which their state of health requires and, if necessary, shall be removed to the infirmary of the place of internment or to a hospital.

They shall have permission to read and write, likewise to send and receive letters. Parcels and remittances of money, however, may be withheld from them until the completion of their punishment; such consignments shall meanwhile be entrusted to the Internee Committee, who will hand over to the infirmary the perishable goods contained in the parcels.

No internee given a disciplinary punishment may be deprived of the benefit of the provisions of Articles 107 and 143 of the present Convention.

ARTICLE 126

The provisions of Articles 71 to 76 inclusive shall apply, by analogy, to proceedings against internees who are in the national territory of the Detaining Power.

CHAPTER X

TRANSFERS OF INTERNEES

ARTICLE 127

The transfer of internees shall always be effected humanely. As a general rule, it shall be carried out by rail or other means of transport, and under conditions at least equal to those obtaining for the forces of the Detaining Power in their changes of station. If, as an exceptional measure, such removals have to be effected on foot, they may not take place unless the internees are in a fit state of health, and may not in any case expose them to excessive fatigue.

The Detaining Power shall supply internees during transfer with drinking water and food sufficient in quantity, quality and variety to maintain them in good health, and also with the necessary clothing, adequate shelter and the necessary medical attention. The Detaining Power shall take all suitable precautions to ensure their safety during transfer, and shall establish before their departure a complete list of all internees transferred.
