

7. An enterprise shall not be deemed to have a permanent establishment in a Contracting State merely because it carries on business in that State through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business. However, if the activities of such agent are carried out wholly or almost wholly for the enterprise such agent shall not be considered to be an agent of an independent status for the purpose of this paragraph, unless it is shown that the transactions between the agent and the enterprise were made under conditions which would be made between independent parties.

8. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.
