## VISIT OF THE CROWN PRINCE OF JORDAN

The Right Honourable Joe Clark, Secretary of State for External Affairs, announced today that His Royal Highness Crown Prince El-Hassan Ibn Talal of the Hashemite Kingdom of Jordan will pay an official visit to Canada, June 1-3.

This visit is in response to the invitation issued by Mr. Clark in Amman in April 1986. It will provide the opportunity to review the growing bilateral relationship between Canada and Jordan, including trade and economic cooperation, and to discuss major international issues, in particular the search for peace in the Middle East.
