

Mr. POOLE: I might point out to the minister that I made a request last year for certain work which I have not got as yet.

Mr. CARDIN: My hon. friend should not lose hope.

Mr. POOLE: I understand a minister of the Alberta government is here now, and I hope the minister will be more generous with him than he has been in the past. I understand a request has been made.

An hon. MEMBER: Too late.

Mr. POOLE: It is never too late unless it is always too late.

Mr. LANDERYOU: Why was not the building at St. Paul completed last year?

Mr. CARDIN: The site was not obtained early enough to start the building. The contract was awarded in December, 1937.
