Dear Sir:-

With further reference to previous correspondence, I would like very much to have an interview with you regarding the Chair of Education of this University.

I would appreciate it very much if you could arrange to come to Montreal for such an interview. We will pay your railway fare and I would be glad to put you up at my house while you were in the city. I would like to hear from you soon as to when you will be able to come.

Yours faithfully,

Principal.
