OF VACCINATION.

1. On any of the days appointed by the Medical Board for inoculating the poor, gratis, any person or persons, without the recommendation required for the admission of patients to the Hospital, may present their children for inoculation.

2. The person or persons who shall inoculate any children or other persons, on any of the above stated days, shall register in a book belonging to the Hospital, kept for that purpose, the name, age, sex, and religion of each and every individual so inoculated; the part of the body on which the inoculation has been performed; the date, progress and termination of each and every case.

3. Each and every person bringing a child or children for vaccination, shall deposit two shillings and six pence, as a pledge of returning once at least with the child or children on a day fixed by the inoculator, that the appearance may be noted. Non-compliance with this rule will incur the forfeiture of the deposit; but, upon due compliance with it, it will be returned.
