VOLUNTEER TEACHERS. Board of Education Will Not Have Them Any More. Volunteer teachers for foreign nigh achoois are to be elementimed. Yesterday afternoon the finance committee of the board of education decided in favor of employing paid teachers. The facts of the case were that the volunteer teachers were not sufficiently re-gular in their attendance to keep the work up to the required standard. It was conceded that their work had been

helpful in getting work started; but it lacked continuity, and was not under the authority of the inspectors.
