

THE HOMELIGHT

AH, there is one light
Brighter than sunlight;
Fairer and clearer
Its beautiful ray;
Restful as twilight,
Far-twinkling high light
Lovelier, nearer,
And dearer than they.

Hearthlight and homelight,
After the foam white,
After the tossing
O'er life's storm-swept way;
Here is the one light
Brighter than sunlight,
Lovelier, clearer,
And dearer than day.
