### CAPT. SMUCK WON MILITARY TOURNEY

Soldiers Engage in Remarkable Bowling Competition on Victoria Lawn.

Old lawn bowlers aver that, without fear of contradiction, the most wonderful tournament in the history of the game in Canada was held yesterday on the Victoria Lawn. Bowling on the green was inaugurated this year at the different military hospitals by the D. B. T. committee, solely for the purpose of bringing pleasure to returned men, and at the same time introducing something to these splendid chaps which would prove a benefit physically and there was any doubt in the mind of any of those working, as to the success of their efforts, it was dispelled yesterday. Close to one hundred men took part, seventy-five per cent. of whom are returned wounded men, many with an arm or leg missing. Those who saw the tournament will never forget the sight and to say that the men themselves enjoyed it, puts it very mildly; enthusiasm and good sportsmanship radiated from the face of every hero. There were sixteen valuable prizes for rink competition distributed between the four winning rinks each rink playing four games. The Rev. Mr. Pedley and Mr. Thos. Kennie welcomed the players. The 2nd Garrison Regimental band, under Bandmaster McNicol, played from 2.30 to 5.30 and the arrangements were in the hands of members of the Dominion Bowling Association. After refreshments at 5.30, the prizes were presented. Competition for doubles starts today at 1 o'clock. The general public is very cordially invited to witness these games.

Each rink played four games, the winners being as follows, according to the best aggregate scores turned in:—  
1st—Givens St. Spr. Wylie  
2nd—Givens St. Spr. Wylie  
3rd—Givens St. Spr. Wylie  
4th—Givens St. Spr. Wylie  
Four distinct draws were made. Three games were played, and at four o'clock all lined up for a photo, and then went into the rink for refreshments, served as only the Victoria Club can serve. The fourth game was commenced at 4.30 and finished at 5.30. A few minutes after the winners were determined, Mr. Thos. Kennie presented the prizes. The winning sides, representing the enjoyment in playing the game and appreciation of the interest the bowlers had shown in providing them with greens. Winners:—  
First prize—Givens St. Spr. Wylie  
Second prize—L. Corp. Small, College Street Hospital, 4 wins, plus score 18.  
Third prize—Pte. Mason, College Street Hospital, 3 wins, 1 draw.  
Fourth prize—Sgt. Inkster, Base Hospital, 3 wins, 1 draw.  
Pte. Cameron, Sgt. Allen (Hart), Sgt. Major Thompson (Hart) and Corp. Weir (Brant House, Burlington) also won three games each, but their scores were less than that of Sgt. Inkster, who scored 58 points to his opponent's 14.

### PENNY ANTE

SAY, YOU DIDN'T THINK THAT WE WERE GIVING YOU A BENEFIT, DID JA?

NO, BUT THE WAY YOU FELLAS PLAY, A GUY DOESN'T GET NO CHANCE A-TALL! Y'WENT THROUGH ME LIKE I WAS AN ALIEN ENEMY OR SUMP'N. I THOUGHT IT WAS GONNA BE A FRIENDLY GAME.

HA! HA! THE WINNERS ARE STILL FRIENDLY.

### NEW LEAGUE ON SEMI-PRO BASIS

The hockey pot is simmering and promises to break into a real boiling at any minute. Another new club for the senior O.H.A. ranks has cropped up, Leaside Indians, after a successful lacrosse season, want a winter ice game, and will apply for admission to the Ontario Hockey Association. They have the makings of a first-class club out at Leaside and would be ably backed. The Indians made a lot of friends during the summer with their lacrosse campaign, and would be expected good support.

A new hockey league will be doing business in Toronto this winter. It will be composed of the Leaside Indians team, an outfit from the British Forgings Co. and two teams from other big works in Toronto. It will be run on the same basis as governed lacrosse this summer. At both the Leaside plant and the British Forgings several well-known hockey players are working, and it is claimed that they would have no trouble in forming teams.

### UNIVERSITY SCHOOLS WANT TO PLAY JUNIOR

Would Like to Be Grouped With Hamilton and St. Michael's College.

University Schools want to get into the Rugby fray with a will. A good team is practicing at the school, and they would like to play in the Junior O. F. U. series. They are trying to get into a group with St. Michael's College and Hamilton Collegiate, and it looks very good for a compact group. Several of last year's boys are available at U.T.S. and, with plenty of material from the second, they will have no trouble in putting a strong team on the field.

Upper Canada College have only five players of last year's team for the little Big Four campaign this season. Coach Bill Marden is putting the boys thru their paces. Zybach, Beatty, Hyland and the Macdougall brothers are the boys of last year's squad still on hand. Several players from the seconds of 1917 will be used to round out the senior team.

Capitals will hold their second workout at Aura Lee grounds tonight. Jimmie Garlick expects several of the old standbys to turn out tonight, and a good, lively workout is in prospect.

Red Parks, last year's outsting wing for the Capitals, will be out tonight at Aura Lee at six o'clock, when the seniors and juniors will work.

### TORONTO GOLFERS WIN FROM HAMILTON PAIR

Galt, Ont., Sept. 25.—This was a patriotic day at the links of the Waterloo Golf and Country Club, and with ideal weather and a splendid crowd the event proved decidedly a success, the proceeds to be divided between the Canadian Red Cross and the prisoners of war bread fund. There was an exceptional large turnout of golfers from parts of the province. The feature event of the day was the match between George Lyon, amateur champion, and George Cummings, representing Toronto, and Fritz R. Martin, champion, and Nichol Thompson, representing Hamilton. The match was played this morning and the remainder this afternoon. The result was a one-hole win for the Toronto pair. The playing of George Lyon was the feature, and he made a hole-in-one on the ninth hole in 39, one-half a stroke less than par. George Cummings, however, had the best individual score, his putting aiding him. The individual scores for the 36 holes were: G. S. Lyon 148, G. Cummings 141, Fritz Martin 147, and Nichol Thompson 145.

### OTHER EVENTS

Other events were the mixed foursome medal handicap team match, handicap putting, golfette and obstacle competitions, which were well patronized. Luncheon was served at the club house, and this evening a dance was held, which was largely attended.

Eight centres already have been established to train French instructors, and these centres are expected to furnish enough teachers to cover the entire French army.

Johnny Brown, the famous National League second baseman, recently visited General Vidal's headquarters at Besancon, where he demonstrated the game to the officers' school. Every day today visited Tommy Fall Fair has been allowed to play the game, and the intention is to hold a three-day fair next year.
