LOOK FOR RECORD ENTRY IN BEACHES

Annual Meeting Tonight—Talk of New Ashalanta Team—Hockey Gossip.

At the Riverside Club tonight, the Beaches Hockey League, the largest outdoor organization in the world, will hold their annual meeting. This promises to be the greatest meeting ever held by the league, as indications are that more teams than ever before will compete in the five different series, while there is great interest over the elections.

The executive, which consists of five members, has no less than twelve candidates, while most of the other offices are also well competed for. Each club will send two delegates to this meeting, and no delegate will be allowed to vote unless their club deposit fee is paid. Secretary Feeney will be at the meeting at 7 p.m. in order to handle those clubs wishing to pay their fees.

The clubs have plenty of amendments to vote on, among these being the much-talked-of change of the league's name to the Toronto Hockey League.

Another one is the important affiliation of the senior series with the Intermediate O.H.A.

F. D. Smith has forwarded one that all series play six-man hockey, as in vogue in the senior and intermediate series.

Stan Raymore favors letting a Beaches Hockey League player take aprt in one O.H.A. game before barring him from further competition in the Beaches Hockey League. Mr. Raymore will also be a candidate for the council.

All clubs are requested to be represented at this meeting.

The Arena pro. team, champions of the world, held their first workout at the Arena yesterday at noon. Six of the old guard and a new candidate took in the first practice.

The new man is Paul Jacobs, the Indian, who played lacrosse for the Leside Indians. Jacobs is a big-built boy, and handled himself nicely yesterday. Harry Holmes, Harry Cameron, Harry Meeking, Alf Skinner, Corvett Dennery and Ken Randall were the members of last year's team to work.

Reg Noble wired that he will be on the job on Wednesday, and Jack Adams will be down next Monday, when he receives his discharge from the army.

In addition to Harry Holmes, the Arenas have three goalers lined up. Lindsay from the Wanderers, McCullough of Renfrew and Dwyer of Sarnia are the men.

George Kennedy of the Canadien Hockey Club announced last night that the first hockey practice would be held tonight at the Jubilee Rink in Montreal. Kennedy has already received the signed contracts of Vezina, Berlinquette and Couture. He has also come to terms with Lalonde and Pitre, and expects them at the practice.

He stated that he had traded Skene Ronan to Ottawa for Harry Hyland, and will forward a contract to Hyland this week. Jack Macdonald and Billy Bell are on the Canadiens' reserve list, and contracts will also be sent to them.

Speaking of the meeting called for Wednesday afternoon at the Windsor Hotel, Kennedy stated that he had not received any notice to attend.

"I will surely go to the meeting if I am invited, and I think Sam Lichtenhein and the Ottawa representative will also be there," concluded Kennedy.

The hockey practice hours at the Arena this week are:

12.15 to 1.00—McMaster.
1.00 to 2.00—Newmans.
2.30 to 5.00—Public skating.
8.30—O.H.A. senior Dentals v. Royal Air Force.

Royal Air Force and Dentals will meet in the senior O.H.A. game on Saturday night. This is the only hockey fixture scheduled for the week.

Billy Milne changed his mind and turned out with the Veterans last night. Billy will be remembered as the good Varsity player. Gamey Stratton, a centre player that U. of T. were proud of, and who just returned from overseas on Saturday, watched the workout. The officers of the Veterans' club claim that Gamey will join them later. Duffy and "Doc" Dafoe were very much in evidence at the practice last night.

Eddie Schumaker, who is claimed by St. Patricks, was another new one at the Vets' workout. He looks good.

Ottawa sends the following: Any doubts that existed as to Sprague Cleghorn figuring on the Ottawa Club's squad during the coming season were dispelled yesterday when officers of the Senators were notified by Cleghorn that their terms were acceptable and that he was ready to report. He will come up from Montreal tomorrow and make his first appearance in a red, white and black uniform at Tuesday's practice

Spring, Green and McCurry, from the Ashalanta outfit, were out with St. Patricks getting a little warm up last night. Mike Rodden had a large squad out, but the former De La Salle players were the only new ones.

It is rumored that the Ashalanta team is not dead yet. Some of the officers are said to be forming a new club and that it will have a new set of officers and will not have anything to do with the big plant down at Ashbridge's Bay. It is said that the make-up of the executive has been laid before the O.H.A. for their sanction.

It is announced that Odie Cleghorn has signed a contract with George Kennedy for the Canadien team, subject to his being finally discharged from the Royal Air Force, which is most likely to happen any day. Jack Laviolette is to be coach and trainer of the Canadiens, and will be given an opportunity occasionally to show what a man can do on skates with an artificial leg.

Major and Minor Leagues Plan to Settle Disputes

Chicago, Dec. 9.—The National Commission will become the sole administrative power of baseball, settling the disputes of major and minor leagues alike, if a program agreed on at a conference today between President Ban Johnson of the American League, and A. R. Tearny, president of the Three-I-League, be carried out.

President Tearny, who is chairman of a minor league commission, appointed to demand several reforms from the majors in regard to the draft and the farming of players, said that at his suggestion a joint meeting of committees from the American and National Leagues and the minor leagues probably would be held in Chicago in January to take action on the proposals.

"President Johnson agrees with me that the board of arbitration of the National Association of Minor Leagues is unwieldy, and, in fact, unnecessary, President Tearny said.

"It is our plan to wipe it out and have the National Commission the only court of baseball."

MASS MEETING TO BOOST ATHLETICS

Want Better Facilities to Meet the Demand in Big Sport Revival.

Every man and boy interested in any branch of local athletics or sporting endeavors should make a determined effort to be present at the mass meeting to be held in the Canadian Foresters' Hall, 22 College street, on Monday evening, Dec. 16, at 8.15 o'clock. A committee of well-known sport enthusiasts in the Queen City have organized this gathering for the purpose of starting preparations whereby athletics in Toronto may be established on a bigger and more systematic scale than ever before. Realizing the necessity of more playgrounds, athletic fields, skating and hockey rinks, etc., they hope to secure a large deputation to visit the city council and demand that in next year's appropriations moneys be set aside for these purposes.

With the soldiers returning from the front and a renewed interest for outdoor and athletic life the demand upon the local clubs will be almost overwhelming, but they must be taken care of. Lacrosse, baseball, hockey, rugby, soccer and dozens of other games must be revived and the leagues started right. There is only one way to do that, and that is to boost and attend the meeting. League secretaries and club officials should make it their business to see that they have a large representation there, for in the general discussion which will take place their individual branches of sport must be given one prominence it deserves to secure the best for it.

Admission to the meeting will be free and everyone with any ideas as to the betterment of their respective games will be welcomed. Besides the general discussion the committee have made arrangements for several well-known speakers to address the meeting. Major J. W. Barton, of the University of Toronto, will speak on physique and health; Mr. J. G. Merrick has been asked to address the meeting on the prospects of future olympic games; Dr. D. Bruce Macdonald's subject will be the educational value of athletics, while Major Fred Smith will discuss the athletic viewpoint of the returned soldier. Among other speakers will be Mr. Francis Nelson, Parks Commissioner Chambers and Major O. Heron. It should be a grand rally night for athletics, and with such a program of talented speakers everyone should learn something from their remarks.

An Ottawa despatch says: Alf. Smith, the former coach of the Ottawa team, has been elected bench manager for the coming season. Six of the regular players turned out Saturday night for practice, Clint Benedict, Eddie Gerard, Jack Darragh, Cy Denneny, George Boucher and Eddie Lowrey. Billie Boucher, who starred in amateur circles last year, was also out. The men were hustled all the way and were all in at the finish.

NEW INTERNATIONAL READY TO CONTINUE

All Except Baltimore, With Toronto in the List, But Not Settled as to Hamilton.

New York, Dec. 9.—The club owners of the New International League held the first session of the annual meeting here today and wil reconvene tomorrow afternoon. All of the clubs were represented, and President John H. Farrell of Auburn, N.Y., presided.

With the exception of John Dunn of the Baltimore Club all the owners said they were ready to continue next season, and all were optimistic as to the future of the national game. Dunn, however, stated that in case the National Commission, at its annual meeting in Cincinnati next month, failed to eliminate the drafting of players by major leagues, his club would not go thru another season. The National Association of Minor Leagues has requested the elimination of the draft rule, and its committee will appeal to the commission for the desired change.

President-Treasurer Farrell's report of the 1918 season was read and adopted. In it the executive recommended that a committee be appointed to fix a club salary limit based on the receipts and disbursements of the season. The limit now adopted by the association is $3000 per month for each of its clubs.

There was a long discussion in regard to the finances of the Hamilton, Ont., Club, which was transferred from Syracuse last season, but no decision was made as to where the club will be located during the coming year.

Prior to the meeting, the board of directors, with all the clubs represented, met at noon to hear C. H. Chapin, representing Rochester, submit his report regarding the winding up of the affairs of the old International League.

Connie Mack, manager of the Philadelphia Americans, was in conference with J. J. McCaffery of the Toronto Internationals.

A report that Mack was negotiating for the purchase of Earl Smith, catcher, from Rochester, could not be confirmed.

At the close of the directors' meeting it was announced last season's pennant had been formally awarded to Toronto.

It was officially announced here today that Manager Huggins of the New York American League Club had purchased Peter J. Schneider, pitcher, from the Cincinnati Club, with which he has been playing since 1914.

Long Session for National Leaguers

New York, Dec. 9.—With election of a successor to John K. Tener as president, and formation of policies regarding players and play in 1919 as the principal scheduled business, National League Baseball Club owners were gathering here tonight for their annual meeting.

The field of presidential candidates has narrowed down to John A. Heydler, present secretary-treasurer, and John Conway Toole, a lawyer, who at various times has served as counsel for the league and the National Commission.

Another interesting question has to do with the standing of Fred Mitchell, recently elected president of the Chicago Club. Under the constitution no player or manager is permitted to represent a club at a league meeting, and so far as is known, Mitchell still holds the manager's authority. Except by unanimous consent, which is not considered likely, the constitution cannot be amended at one meeting.

According to the program the board of directors will meet at noon tomorrow, and probably will be occupied for several hours with financial reports and routine business.

Awarding of the pennant to Chicago also will be a feature of the first day's sessions.

As there appears to be no concerted plan on the part of the owners for the 1919 season, discussion of policies is likely to extend over several days.

Basketball at Broadview Also Bowling and Swimming

The Saturday Afternoon Basketball League, at Broadview Y.M.C.A., is now becoming a very interesting feature, the two games last week being among the best games yet played. Kamp, a new player, who has been added to one of the teams, proves to be an acquisition, and will certainly make the O.B.A. team for the coming season. The first game, which was played between the Seniors and the Young Men, was very fast. Beaton, for the Seniors, making some good passes, and seemingly could not miss the basket. Pedlar, for the Young Men, was everywhere, ready to receive a pass, just to place it in the basket. The game ended in favor of the Young Men, 36 to 22.

The second game was full of interest from the blow of the whistle, with Philpot and Kamp on the defence, Lee and Heffering on the forward, and Mack centre, for the Evening Business Men. Combination plays were prevalent among Lee, Kamp and Philpot, with Lee doing most of the scoring. The Morning Business Men were represented by Stephens and Miller on the defence, Pedlar centre, and Turner and Cooper forwards. This combination of players held their ground well, being tied five minutes before time was called. Stephens and Miller made a few good rushes down the floor, which resulted in a basket each time. The score at full time was: Evening Business Men 36, Morning Business Men 26.

The standing of the league at present is as follows:

	Won.	Lost.
Evening Business Men..	3	0
Seniors	3	0
Morning Business Men..	1	3
Young Men	0	4

An accomplishment worth while was a mile swim performed by three of Broadview's business boys Saturday, Jack Patterson making the best time, the stop-watch registering 40 minutes and 38 seconds. Will Rankin's time was 41 minutes and 40 seconds, and Earl Steele's time 44 minutes and 57 seconds. The latter's performance is especially commendable, as he is not yet 14. The "trudgeon," a double-over-arm, was the stroke used by all three boys for the entire distance.

The bowling alleys were the scene of lively competitions during the week, the winners being: Five high games, W. H. Kerr, score 970; high single, J. E. Smith, with 238; three high games (tyro), B. Airth, 571.

Laird Missed Only One Bird in Fifty

The regular weekly shoot of the Balmy Beach Gun Club was held as usual on their grounds, Eastern avenue. There was a good turn-out of members, and some good scores were made. A. A. Laird was high man for the day.

American Bowling Congress Tourney in Toledo Next March

Toledo, Ohio, Dec. 9.—The 1919 tournament of the American Bowling Congress, will be held at Toledo next March, starting probably about the 8th. The exact date will be arranged later, depending upon the availability of the building in which it is to be held. Details were completed by the executive committee which met here today. A. L. Langtry, secretary of the A. B. C., of Milwaukee, officiated. Treasurer F. G. Pasdeloupe and Judge Howard, of Chicago, a member of the executive committee, were other out-of-town officials present at the meeting.

ENGLISH COUNTY CRICKET.

After a complete stoppage since August, 1914, English county cricket will be resumed next spring. The committee of the Marylebone Cricket Club are now busy preparing the schedule of county games for next season. The big college games, Oxford v. Cambridge, Eton v. Harrow and Rugby v. Marlborough, always a big attraction at Lords, will also be played.

SOCCER BODIES TO HOLD PEACE CONFAB

Meet on Thursday to Talk Merger—T. & D. Games for Saturday.

At the general meeting of the Provincial Soccer League held in McBain's Hall last evening, a suggestion was put forward that the Provincial and the T. and D. leagues form a strong league in Toronto composed of teams from the two leagues. This suggestion met with hearty support, and a meeting of the interested parties will be held on Thursday night, when it is expected that the merger will take place. This would be the best move that the soccer bodies could make, and would go a long way to boosting the game in Toronto.

The Toronto Scottish, champions of the Provincial League, were voted the sum of $150 to purchase medals. The George Campbell case was adjourned until the referee attends the next meeting.

The T. and D. directors met last night and scheduled the games which should have been played last Saturday, for Dec. 14. The challenge of the Queen City junior league to play the T. and D. juniors' champions was accepted. The game will be played, weather permitting, on Dec. 21. Glead of Beavers stands suspended till he appears before the board.

Games and referees for Dec. 14 are as follows: T. and D. senior game—Base Hospital v. Dunlop, C. M. Hall. T. and D. junior final—Parkdale R. v. St. David's, W. S. Murchie.

Linfield F.C. "old boys" and members are asked to meet at 9 Fielding avenue on Thursday evening at 8 o'clock, for the election of officers and general report. Also formation of winter club.

St. David's F.C. players only are asked to meet at the church hall on Tuesday and Friday evenings at 8.30 for physical exercises. The winter club commences the 17th inst.

The Garnet A.C. meet Wednesday night at 1713 Dufferin street to organize. They will have teams in the juvenile and midget series of the Beaches League, and any players wanting to join are asked to attend.

ENGLISH SOCCER.

With the present football season nearly half over, it has been decided at a meeting of the English Football Association, presided over by Lord Kinnaird, not to play the English Cup ties or international games until next season. Steps are being taken, however, at the earliest possible moment to endeavor to reorganize county football. Another proposal carried was: "That in the opinion of this meeting it is desirable for the affiliated associations to make arrangements for the resumption of their competitions as far as possible." In reply to the telegram sent to King George, his majesty, who is patron of the football association, sent the following reply: "The King has received with much pleasure the loyal greetings of the football association to its patron. His majesty trusts that it will not be long before the national game is going in full swing."
