Counsel for Standard Reliance Liquidator Strikes Snag in Witness.

leorge H. Kilmer, K.C., counsel for Liquidator G. T. Clarkson, struck a snag yesterday on resuming the probe into the Standard Reliance Loan wreckage when he tried to get from Col. W. S. Dinnick, former manager of the Standard, an explanation of some of the puzzling book entries relating to the acquisition of the Huron & Bruce Loan Co., which, on their face, he declared, indicated a disap-

pearance of assets.

After the enquiry had proceeded for an hour without getting anywhere in particular, Col. Dinnick said that the transactions back of the entries in the books had, thru lapse of time, en-tirely vanished from his memory, and that he would need a week at least to look into the books and think the

matter over. Master-in-Chambers G. A. C. Cameron, who is conducting the investiga-tion, said significantly that some of the transactions revealing apparently a loss of assets would have to be ex-plained by Mr. Dinnick or somebody else, and that it would be the duty of the liquidator to recover from persons who may be shown to have unlawfully come into possession of Standard Loan

According to Mr. Kilmer, one sum of \$134,000 stands in the Standard books unaccounted for, and this item would certainly have to be cleared up say that this particular sum had disappeared, but there were grounds for thinking that a certain loan had been repaid twice. In the absence of an explanation from Mr. Dinnick, he would consent to an adjournment to give him time to figure it out. give him time to figure it out.

J. H. Spence, acting for Col. Din-

Col. Dinnick, who was the only witness yesterday, testified that negotia-tions opened with the Huron & Bruce consideration. "Mr. Kent," continued the witness, "declined to accept Standard stock for his Huron & Bruce stock, so after long negotiations it was arranged that long negotiations it was arranged that the London Loan Company would lend the Standard Loan Company \$150,000; \$150,000 of this in cash and the remaining \$134,000 in the form of a receipt for the money borrowed by the syndicate. In this way the Huron & Bruce stock held by Mr. Kent was released, and Mr. Kent was releas and Mr. Kent or the syndicate receiv- in their own home town-if they ed in exchange an equal amount of Standard stock.
