SAILING SEASON STARTS R.C.Y.C. DINGHY WINNER

SATURDAY MORNING

Leys Gooderham Beat James Douglas of Q.C.Y.C. by Only 35 Secs. -Q.C.Y.C. Results.

On Victoria Day the R.C.Y.C. held a most successful 14-foot dinghy race, open to all L.S.A.A. boats. The different city clubs were well represented, no less than 39 boats being entered.

On the firing of the time gun at 10.20 a.m. all 39 boats commenced manoeuvring about the line, making as pretty a picture as a sailor could wish for. When the starting gun was fired at 10.30 a.m. the boats all headed for the line and crossed so close together that to choose the leader was indeed a conundrum. Up the first leg of the course, which was a beat to windward, the boats got strung out into some sort of

At the end of the first round Leys Gooderham, R.C.Y.C., was leading by about 20 seconds, with James Douglas, Q.C.Y.C., and I. & J. Turrall, N.Y.C., keenly contesting his position.
On the second round Gooderham maintained his lead, but at no time had he sufficient advantage for time to

be named the winner, and he only succeeded in crossing the line 35 seconds ahead of the second boat. The times at the finish were: at the finish were:

Fred Martin Win Q.C. Race. Fred Martin's dinghy won the race of 14-foot class at the Q.C.Y.C. yesterday in a contest which was so close at the finish as to make betting hazarthat under the prevailing circum-stances—there being a light and un-certain wind—they were placed abso-

lutely out of the competition.

The entries were: James Douglas,
George Beswick, Fred Martin, Herb
Henderson, Mr. Bonner and Mr. Smith. The starting gun was fired at 2.45,

The day was everything that could be desired, and the crowd in attendance was fairly good for the first of the serson. The final score was 5 to 3 in favor of the home team, but the play was very even and interesting, and the Maitlands made many friends by their actions, both on and off the field.
