When the liver goes wrong, everything is wrong. You have dyspepsia, coated tongue, constipation, biliousness, sick headache, nausea, general debility. One of Ayer's Pills each night, just once, gently starts the liver and removes all trouble.

"I have used Ayer's Pills for liver complaint, and have found them to be the best thing I have ever tried."

## VAST COPPER FIELD FOUND

Forty Square Miles of Good Mines Discovered North of Victoria Falls.

## ASSAYING FORTY-FOUR PER CENT.

Cape to Cairo Railroad to Be Diverted So as to Pass Through New Territory.

London, Feb. 21.—Reports from two experts have been received in London from different parts of Africa, which, if borne out by later developments, are likely to have an important influence on the world's gold and copper supply.

One of the reports comes from Assiut, on the French Ivory Coast. This cablegram says that a reef of quartz gold, eight feet wide and panning from two to eight ounces, has been opened up on the Ivory Coast. From North Rhodesia the British Chartered South Africa Company has received news of the discovery of a copper field, estimated at forty square miles. The field is situated one hundred and fifty miles north of Victoria Falls, and runs thence to the Congo Free State. In the ancient mines dug by the natives and reopened by engineers in the early days of the Chartered company copper assaying forty-four per cent. is now being secured, besides a large percentage of silver. So much importance does the Chartered company attach to this discovery that the Cape to Cairo Railroad will be diverted in order to pass through the copper fields. Work on this section of the road has been ordered accelerated, and it is expected that it will be completed early in 1903.

## DISCOVERS AN AMAZON TOMB.

Western Norway Yields a Skeleton With Complete Set of Arms.

Christiania, Feb. 21.—The discovery at Soler, in western Norway, of the tomb of an Amazon is exciting great interest in scientific circles. The discovery was made by Professor Goldberg.

The tomb contains the remains of a woman between 20 and 30 years of age, apparently buried with her horse and complete armor. The latter was in excellent condition, and the complete skeleton of a horse also occupying the tomb. It is said this is the first discovery of the kind, and the old Amazon queen's tomb is a most interesting discovery. The tomb probably dates from the Bronze Age, and the woman must have been a prominent warrior, as only persons of celebrity were buried with their horses and arms. The excavating party is making further explorations.

## UNIFORMITY OF LAWS.

Dr. Russell Gives Notice of a Resolution.

Ottawa, Feb. 21.—Dr. Russell gives notice that he will move in the House a resolution that "the time has arrived when steps should be taken to carry out the provisions of section 94 of the B.N.A. Act for securing the uniformity of the laws relating to property and civil rights in Ontario, Nova Scotia and New Brunswick, and in such other provinces as have been brought within the scope of the B.N.A. Act." The section referred to empowers the parliament of Canada to make any of the laws relative to property and civil rights in Ontario, Nova Scotia and New Brunswick, and of the procedure of all or any of the courts in those three provinces. But it is provided that such act of uniformity shall only have effect upon it being enacted as law by the legislature of the province.

The motion was voted down.

A motion to issue \$3000 and \$4000 certificates at proportionate rates was not approved. Proposals to establish a sick benefit fund, to establish an aged and infirm members fund and to admit women into the order were all defeated.

A clause recommending that a delegate shall not receive more for attending Grand Lodge than the per capita fee was also defeated. A clause providing for disability aid after a member reaches 60 years of age.

The annual meeting of the Grand Lodge will in future be held the third week in March instead of the next annual session in Toronto, after Hamilton, London and Ottawa extended invitations.

Berlin, Feb. 21.—Emperor William has commanded Prof. Roehling to paint a picture of the scene near the Chinese arsenal, where the Admiral Seydlitz and other points in British relief expedition, gave the order, "the Germans to the front." The phrase has thrilled Germany, and Prof. Roehling, who, upon Emperor William's order, accompanied the German expedition to China, has made a study of the battle field and the arsenal with the painting of this picture in view. The picture will be hung in Emperor William's private gallery, and will represent the German forces on the double quick to the front, with the American and British troops cheering.
