Radway & Co.—

Dear Sirs—I have been keeping in the house your Radway's Ready Relief for the last six years. I have used it in every way, and found it to be the best on earth. Six years ago I was sick. I tried all kinds of medicine, but they did me no good. My father saw the advertisement in the paper; he teld me to try a bottle. I cid so, and by using it three days I was able to be out. I have kept it on hand ever since, and have told my neighbors about it. My wife has been troubled with toothache. I gave a trial of the medicine and it cured her pain instantly. I was gathering corn and got my hand caught between the wagon bed and standard and mashed it baily. I ran to the house and poured on a lot of Radway's Ready Relief and had no more pain. I tied my hand way's Ready Relief, and in an hour I was ready to take hold of my work again. I cannot be thankful enough. I could write a great deal more, but this paper would not hold half of what I could write. Yours truly.

JACOB K. KAPPLER. Moberly, Mo., Jan. 21, 1896.

Dr. Radway & Co.—

I have been a sufferer from rheumatism for more than six months. I could not raise my hands to my head nor put my hands behind me, nor even take off my own shirt. Before I had finished three-fourths of a bottle of Radway's Ready Relief I could use my arms as well as ever. You can see why I have such great faith in your Ready Relief. Yours truly.
