**THIRD IS DECLARED OFF**

Estella C Wins Seventh at Long Odds - Summary and Entries.

WINDSOR, July 21.—(Special.)—The feature at Windsor to-day was the victory of Minota, 10 to 1 shot, in the first race, which was declared off, owing to the large number of scratches, and the same might have been declared in the fifth, as there were but four entries, two of the contenders being scratched, leaving Martin Doyle's race was a farce, and Daley, a prohibitive favorite at 1 to 3, simply walked home. **Small Races at Mimico.**

The Prince Rupert Cricket Club and Old Country Club played on Mimico grounds. The match resulted in a win for the home team by 3 runs and 8 wickets. Neale for 34 and Passmore for 19, bowled well for the losers. Hines and Curran were top scorers for the winners, and Hines and Neale for the losers.

**THE OLYMPIC GAMES**

Continued From Page 1.

made 6 feet 2 inches, and Res (France) 6 feet 2 inches, 3rd runner (Chicago A.A.) cleared 6 feet.

In the third section of the running high jump, Harry Porter (Irish-American A.C.) cleared 6 feet 3 inches, beating Leashy's jump by one inch. T. Moffitt (University of Chicago) was second, with 6 feet 2 inches.

In the re-jump of the first section, running high jump, H. A. Gidney (Boston A.A.) was first with 6 feet 3 inches, Porter (Irish-American A.C.) and T. Moffitt (University of Chicago), Hendry (United Kingdom) fourth, with 5 feet 2 1/2 inches.

The following men qualified for the final in the high jump: Gidney, Hendlund (Sweden), Andre (France), John N. Patterson (Canada), Porter (Irish-American A.C.), Leashy (United Kingdom), Harry Porter (Irish-American A.C.) and T. Moffitt (University of Chicago). Hendry was scratched.

The semi-finals were then begun. Patterson failed at 6 feet, and Moffitt failed at 6 feet 2 inches. Gidney and Leashy failed at 6 feet 1 inch. Leashy's jump of 6 feet 3 inches in his heat was allowed to stand, in an exhibition to beat the world's record, but failed.

The final in the running high jump was won by Harry Porter (Irish-American A.C.). He cleared 6 feet 3 inches. Leashy (United Kingdom) and Somody (Hungary) were second and third, respectively. A protest by the first section of the running high jump, on the ground that Leashy had jumped 6 feet 3 inches, was not so good as that on which the other sections jumped, was allowed. All three men formed the second section.

In the fourth section of the event, only Barber (Canada), with 5 feet 9 1/2 inches, and Wilson (United Kingdom), with 5 feet 9 1/2 inches, completed the first round.

**Record for Sheppard.**

The final in the 80-metre (87.4 yards) flat race was won by Acacia Sheppard, Irish-American A. C. Lugh, Italy, second, and Braun, Germany, third. Sheppard's time was 1:15. He won by 10 yards and broke the record.

Wapanosha-Crawford made the pace at the start, but Sheppard passed him. Followed by Leashy and Just, the English champion, in the order named, the three men rounded the back stretch. The three men were separated by a few inches, but other runners soon fell considerably behind. Sheppard established a decisive lead in the last 100 yards, and again was in danger. Just dropped back on the stretch, thirly beaten, and Braun, American, completed the first round.

N.Y.A.C. passed him on the last stretch. Neither Fairbank-Crawford nor Baird, American, were in the race.

In the expectation of a record, a second finishing line had been established at the half-mile post, 15 feet beyond the 80-metre mark. Sheppard finished the race in 1:15.15. He was 15 feet ahead of the runner-up, Leashy, who finished in 1:15.5. When the announcer kept on to the half-mile post, Sheppard continued to the King Cobalt post, 15 feet beyond the 80-metre mark, and finished in 1:15.15. The first semi-final in the 400-metre hurdles was won by Harry L. Hillman, Old Country Club, in 2:15.5. C. C. Croft (University of Michigan), was second. The second heat was won by C. J. Rice (Irish-American A. C.) in 2:45.5. The third heat was won by Burton, United Kingdom, in 2:45.5. The fourth and last semi-final was won by Stella Land, United Kingdom, in 2:45.5.
