BOY IDENTIFIES E. A. Evans of Quebec is Elected First Grand Principal.

Willie Whitla was detained here. She died in an ambulance while being tak-en to a hospital. Mrs. Whitla, their son and daughter, Willie and Saline, arrived here at 1 o-clock to-day. Their purpose was to identify the two prisoners if possible. Immediately after their arrival they went to the Hollenden Hotel. Principal, was unanimously re-elected but declined, and E. W. Evans, Quebec, was advanced from Grand Second Principal H to be the presiding officer. Other officers elected were: Grand Two private detectives who represented Whitia, first went to the police department, in an effort to see Chief

of Police Kohler to arrange for the identification. At once there was a clash. The chief would not admit the detectives and stated he would deal

only with Whitla and his son.

This was reported to Whitla and another dispute occurred, which promised for a time to stop the identification proceedings. Whitla telephoned to the chief from the hotel that he had arrived and that he was ready to see the rived and that he was ready to see the chief. Chief Kohler replied hotly that he was at the police station, where the prisoners were being held, and that Whitla could see him there if he cared and woman in custody.

station, but was not allowed to see the prisoners himself. He was informed by the chief that the only identification he desired was that which only the boy Willle could make.

The chief also told Mr. Whitla that fication in the usual manner he could return to Sharon and that the prisoners would be prosecuted here on the charge of blackmail.

The father of the boy who was stolen then agreed to have Willie see the man and woman.

Identified By Boy.

An hour later Mr and Mrs Whitla.

The man was the first one taken be-fore them. Boyle was a little pale and nervous. There was a faint smile upon his lips. He was seated before the party, which formed a semi-circle in front of him.

Chief Kohler asked Willie if he had At New York-Jos. Swan, for nearly

ever seen the man before.
"Sure!" said Willie brightly. "Why
that is the man I left Sharon with He took me to Cleveland, then to Ash-tabula, and back to Cleveland." The boy was asked the same question again to make certain of his mem-ory, and again the lad declared he was positive.

"He had a moustache" when I first saw

The evidence of Miss Elizabeth O'Brien was a repetition of that given by her in the police court, adding that the naval budget without discussion, the naval budget without discussion, the parliamentary the parliamentary the parliamentary the parliamentary the parliamentary was the nurse who took care of me was a sket of the parliamentary was the nurse who took care of me was a repetition of that given to do, and will treat them like a thousands and thousands of dollars thousands and thousands of dollars thousands and thousands of dollars thousands who to do, and will treat them like a thousands the parliamentary was the nurse who took care of me who took care of me was a repetition of that given to do, and will treat them like a thousands and thousands of dollars thousands and thousands of dollars to such things, she knows just what to do, and will treat them like a mother.

"Yes, I know her." he said. "She mother."

"Yes, I know her." he said. "She was the nurse who took care of me was the nurse who took the nurse who took care of me was the n

New Navy For Spain.

LONDON, March 24.—It is announce. The Spainsh Government has arranged with a British syndicate to build a new Spanish navy and an arself of three 15,000 tons ironclads, three torpedo boat destroyers, 24 torpedo boat and four gunboats.

They will be built in Spain, but the farmament ill be supplied by a British firm.

They will be supplied by a British firm.

The man discouraged yet, unless he had given up. Well here's good luck to you Mac, and trusting yau'll soon be back here with plenty of the real discouraged yet, unless he had given up. Well here's good luck to you Mac, and trusting yau'll soon be back here with plenty of the real firm.

"That's right, I never saw a Scotch man discouraged yet, unless he had given up. Well here's good luck to you Mac, and trusting yau'll soon be back here with plenty of the real firm.

"Thanks, Mary. It's good to have a word," and both men classed the laws in that state are much more severe, the extreme penalty for kidnapping being life imprisonment," the prosecutor said. "That is what they deserve if guilty. For that reason they will be taken to Sharon for trial first. If for any reason they escape planishment the Noth of the real discouraged yet, unless he had given up. Well here's good luck to you Mac, and trusting yau'll soon be back here with plenty of the real firm. "Thanks, Mary. It's good to have a woman around to wish a fellow luck, I tell you—Good-bye."

"The would be better if they were tried in Pennsylvania, as the laws in that the form of the real firm."

"Thanks, Mary. It's good to have a word," and both men classed with any other member to you Mac, and trusting yau'll soon be back here with plenty of the real firm."

"Thanks, Mary. It's good to have a word any news of interest to us down there. Neither did she peak with any other member of the party.

"Thanks, Mary. It's good to have a word," and both men classed with any other member of the party.

DR. CHASE'S OINT COME.

By Aimee Landon-Illustrated by C. W. Jeffreys.

"Yes, mam, some of it has got spots on it."

"They pulled, dug and picked at the earth, rock and moss, not one single piece of which could be broken off without showing the silver underneath. In some instances they struck off.

day?" said Mac.

"Pretty well, Mac, thank you. Have wondrous beauty and purity for the

CHAPTER VI.

other like brothers in the wearisome "I used to get the newspapers every day," she said later to-day. "My, I had a lot of fun reading the prophecies of the different sleuths and near-sleuths. There was a lot of things charged up to the folks who had the boy that was not true."

That the woman is clever and of good education was proven by her conversation. She carefully warded off every advance that the police made

"totes' of packs and canoes.

Yet time passed very swiftly as they some guide to take me up there and the last stage of their journey, and the last stage of their journey, and pulled into Mac's camp a hungry, "Mo; they seem to be scarcer than pulled into Mac's camp a hungry, "Well, what do you say if we go together; we can help each other, as we are bound for the same place?"

companions completely off. Then they

"Then I'll wait till it comes. I just without smown growth a forck with some spots on him at the schoolhouse." Willie supplemented, "but he must have gut it off later. This is the way he looked when I saw him in Cleveland."

Boyle smiled sarcastically thrugut the recital, but said not a orl. He eyed his accusers defiantly. When Willie the concluded Boyle was taken tack to his cell and the woman was brought in.

She was defiant and haughty in her demeanor, Blankly she stared at Whitla and the other members of the narty. Her only relapse from the indignant manner was when, she first saw Willie. The woman smiled.

If would like a frock with some spots on the said of the said of the said of the struck off; please of ore from four to six inches without a fashionable princess gown," and even the thought made him laugh.

Mac could not leave town without seeing two or three of his old acquaintances. Among them was Mary Davies, who is the proprietress of the River. When is the proprietress of the River when it have in the word of the mean. Both yell and the other members of the narty. Her only relapse from the indignant manner was when, she first saw Willie. The woman smiled.

If me without showing the sliver underneath in the step of ore from four to six inches without showing the sliver underneath. In some instances they struck off; please of ore from four to six inches without showing the sliver underneath. In some instances they struck off; please of ore from four to six inches without showing the sliver underneath. In some instances they struck off; please of ore from four to six inches without showing the sliver underneath. In some instances they struck off; please of ore from four to six inches the without showing the sliver under what she would do with a fashionate with the recital, but a fashionate with the recital, but a fashionate with the step of ore from four to six inches the without showing the sliver under what a fashionate with the search was a samilar to order was the said. In some later with the step

luck. They know if any of them get shot in drunken brawls, being so used to such things, she knows just what to do, and will treat them like a ings could not compare to those men.

"Not yet, Mary, but hope for better luck soon."

"That's right, I never saw a Scotchman discouraged yet, unless he had given up." Well here's good luck to good truck to good truck to good truck or yet."

"MacInvoy, I am going to leave you here while I return to Elk City to get some provisions, and see if there is any news of interest to us down there. Don't you leave the place at all till I

"Why, hello, Watson! What in the Dickens are you doing down here?" he asked.

"Oh, looking around to see if I can hear of anything good in the silver way. Got any news?" "Well, no; cannot say as I have yet. Are you going up to Gow Ganda?"
"Why yes; that is just where I am bound for; heard of it down in Toronto. Is there anything in sight up

"Well, I know some of them have found the stuff there, all right enough but just now I am hunting for a fellow to help me up with some provisions."

together; we can help each other, as we are bound for the same place?"
"Good! I am with you. When do

'To-morrow morning.

fast) when I would put in an appearance. I always greeted this girl with 'Good-morning, Laughing Water!' She mediately go out and bring in a small "What, silver?" clock. She would show it to me, and pointing with her finger to the hands, poisons out of the system except through the kidneys, and no medicine so effective in taking them out as Doan's Kidney Pills.

Mr. W. Perkins, South Maitland, N.S., writes: "I feel it my duty to let you know of the great cyre I have obtained by using Doan's Kidney Pills. For six months I could not obtain a good night's rest, had to get up four or five times to
