Woods of Calgary rald Unanimously Elected President.

ong debate that followed the neetings of the Canadian lation in the Central Techool yesterday afternoor ing the trades and class pa-should be laid over for an or for a special meeting d by the board of directors, build deem it desirable. son for the proposal was taken by the trade and on, when, in the name of the it did as a class, and with-action of the president, conafter the matter of the

at had been settled. This sec-was claimed, also recognized and government commission, ude of the trade section on er of postal rates was also ed of by the association as a following day). had decided that the zone on second class matter should applied to national magazines, class and trade publications a national circulation, and association to approve of its

of C. P. R.

Burrows, in a lengthy ad-proposed the elimination of d trade publications from the on and built up a case to the newspaper sections had the same manner as the trade n regard to the deputations to and denied that his section ordinate in the matter

is. The newspaper press of the try is not related to the trade in interests any more than the interests any more than the spaper press of the country is re-

interests any more than the support press of the country is rested to the vendors of bilihoard adverting.

The newspaper press should be in organization exclusively dedicated to the maintenance of newspaper ideas and the promotion of newspaper ideas and the promotion of newspaper interest. The Canadian Press Association amot endure as an organization interest and the promotion of newspaper mess and one-quarter devoted to the newspaper press and one-quarter devoted to the reade press.

The trade papers must either defer in peace and form an organization of their own or the daily and wally papers must abandon the Canadian Press Association to the trade papers and form a Canadian Newspater Publishers' Association, the same is the ANPAA of the United States, reset that the C.NPAA would insulate weekly as well as daily papers.

Col. J. B. MacLean commenced to read an address in support of the action taken by the trade section, but as the hour was growing late decided to have it published and sent to the members.

Laid Over for Year.

It was moved by A. E. Calman and seconded by Dr. Fraser, that in view of the great importance of this question, and while the divergency in the present situation was due to class differences, the matter should be laid over for another year or for a special meeting, should the directors think it received the present and the directors think it received the pression of the present situation was due to class differences, the matter should be laid over for another year or for a special meeting, should the directors think it received the present situation was due to class differences, the matter should be laid over for another year or for a special meeting, should the directors think it received the present situation was due to class differences, the matter should be laid over for another year or for a special meeting, should the directors think it received the present situation was due to class differences, the matter should be laid over for another year or for a special meeting, should the

In addition, the president is an honorary member of the board, ex officio.

Representatives on board of Central Canada Exhibition, Ottawa: The president and C. W. Young, Cornwall be siven to publishers at card rates, and the agency reimbursed by the government, carried.

An amendment of J. Ross Rebert son's to the effect that newspayers should get adventising direct from the government, without commission,

also carried. The whole question of whether or that the zone system of postal charges should apply to magazines and trade papers having a national circulation was referred to the postal and par-

The retiring president called upon J. H. Woods of The Calgary Herald, the new president, to bring the convention to a close, which he did after a short address. A touching reference to the men at the front was followed by an appeal to those who were left behind to sacrifice some of their prejudices, party, political and business, and place Canada class that the motorman of a Harbord that the motor harbord that the motor and motor than strick on Lansdowne avenue on May 25. The conductor and motorman testified that the trolley was only going six miles an hour when the motor of the motorman of a Harbord that the motor harbord that the trolley was only going six miles an hour when the motor harbord that th cal and business, and place Canada above every interest, and thereby share, to some extent, in the remoulding of the country.
