THE man who is constantly thinking evil finds a thousand ways to speak it.

THE first cyclone happened in Eden. It was a perfect hurry-Cain.

WHEN the knight of old wanted to protect his girl he put his armour round her.

IN dry weather a farmer sits in the barn door and waits for something to turnip.

"SARAH Bernhardt drinks stout; but she doesn't look it," says a theatrical contemporary.

A POSTAGE-STAMP is like a youngster—it will always stick to business better after it has been thoroughly licked.

"Boy how did you manage to get such a big string of fish." "I hooked them sir."

THE very latest description.—A spinster declares that old bachelors are frozen-out old gardeners in the flower-bed of love.

MRS. YOUNGWIFE—"Now, tell me, Alfonso, what papa said to you when you asked him for my hand."

ALFONSE—"He said 'Thank goodness! At last!' and went on writing."

"Court the fresh air," was the doctor's advice.

And she easily caught the fresh heir.
