

September 28th. 1915.

Dear Mr. Hutchinson,

EXD.

I have read your letter of the 19th. September with reference to the dyke. I have sent a copy of it to Mr. Green, and have informed him that it is our aim to have this work performed in a thoroughly satisfactory manner. I have also asked him to inspect the work again and go into the question with you. I hope the result will be satisfactory.

Yours sincerely,

Deputy Superintendent General.

I. Hutchinson, Esq.,
