FREE 10-DAY TUBE—MAIL COUPON

Your Smile will show dazzling clear teeth in a few days if you do this

This simple, NEW method removes the stubborn film that hides the natural beauty of your teeth and imperils healthy gums

TEN years ago dull and dingy teeth were seen on every side. Today they are becoming a rarity. Note the gleaming smiles you see now wherever your eyes turn. Please don't believe your teeth are "different"; that they are naturally off color and dull. You can correct that condition in even a few days. Modern science has discovered new methods in tooth and gum protection. Leading dentists advise them. In fairness to yourself, make the test offered here.

Do This—Remove that dingy film; it invites ugly teeth and fosters gum disorders

Run your tongue across your teeth, and you will feel a film. That film is an enemy to your teeth and gums. You must remove it. It clings to teeth, gets into crevices and stays. It absorbs discolorations and gives your teeth that cloudy look. Germs by the millions breed in it, and they, with tartar, are a chief cause of pyorrhea. Tooth and gum troubles and decay now are traced largely to this.

Old methods of cleansing fail in these results. Thus the world has turned, largely on dental advice, to this new method.

It will give you the lustrous teeth you wonder how other people get. It will give you better protection against tooth and gum troubles. A few days' use will prove its power beyond all doubt. Mail the coupon. A 10-day tube will be sent you free. Use it three times daily—morning, evening, at bedtime—then note the remarkable difference in your teeth and gums.

The Food Of Mystery

The three mysteries of food science, called Vitamines A, B and C—which have not yet been seen or "taken apart" by chemists—must be in our diet, doctors tell us, or we are not well nourished.

It is a blessing to know of one food with all three Vitamines in plentiful supply. That food—there is only one with all three—is Bread as baked by Robinson's. Butter-Krust Bread is truly the health loaf. A big one, too.

Improved Tomatoes

Improved tomatoes are being raised from special seeds produced in the Clark Nurseries at St. John, N.B., and Harrow, Ont. These are distributed to farmers in the surrounding districts and assure for Clark's Tomato Ketchup and Clark's Tomato Soup the VERY BEST "NORTHERN QUALITY" tomatoes, which are cooked the very day they are picked.

The 1925 Crop of Clark's Northern tomatoes was the finest harvested and is used exclusively for CLARK'S TOMATO KETCHUP and CLARK'S TOMATO SOUP
