**WHIPPLE STREET WATER.**  
To the Editor of the Times:  
Sir—Kindly permit me through the Times to suggest to whom it may concern what seems to me to be a very easy and inexpensive solution to the water problem for Whipple street residents, which is this: Pipe the water from the Beaconsfield school tank through public property to Charlotte street, then down Whipple, allowing each household to have his own tank, water-barrel, stand-pipe or whatever suits him best to install, filled daily, which could be done along with the school service, without extra cost, work or worry to anyone, when once the pipes are laid.

Thanking you, I am,  
Your very truly,  
ANNE S. GRANT,  
Charlotte street west.

The branch of the Union Bank at North Edmonton was held up yesterday by one man. He secured about \$2,000. Two bandits bound and gagged Mrs. A. Maternak in her home at the Bronx, New York, yesterday, and robbed her of \$736.

A five hundred pound safe was taken from the office of James Medge, Montreal, last night. The safe contained \$1,200 in bills, \$200 in gold and \$600 in jewelry.

**COST OF LIVING IN OLD LAND DROPS**

London, Feb. 18.—(Canadian Press).—The cost of living in the United Kingdom continues to fall. The decline in the last month was four points, to eighty-eight per cent, above the pre-war level. The drop is mainly due to the reduction of food prices. There has been a continuous decline since November, 1920, apart from a slight interruption in the summer of 1921, and the figure now officially recorded is the lowest since January, 1918.

Enters Hut in Ramapo Mountains and Springs on Boy.

Suffern, N. Y., Feb. 18.—A big wildcat entered a window in the hut of John Manning in the Ramapo Mountains. Manning and his wife and two sons were aroused from sleep when the animal sprang at one of the boys and tore his night clothes nearly off his body.

The father reached for his shotgun and killed the animal before any damage was done. The wildcat is one of the largest ever killed in this section.

**BEGINS PRISON TERM AT 93 FOR STEALING CHICKENS**

Philadelphia, Feb. 18.—At the age of ninety-three, James Bundy began serving this week a five-year prison term for stealing chickens.

Since he was forty Bundy has spent much of his time in the Eastern Penitentiary here and in nearby county jails. His alleged offenses range from pocket-book snatching and corner lounging to burglary and attempts to kill. Upon each return to the penitentiary he is hailed by the long-term prisoners as the "Dean of Convicts."

When last released in 1910, after serving a three-year term, Bundy told the authorities that he had determined to "go straight" the rest of his life.
