BACK UP SENTRY WHO SHOT U. S. NAVAL OFFICER

Tokio, Feb. 11.—Formation of an association to support the cause of Toshiro Ogasawara, a Japanese sentry who shot and killed Naval Lieut. Lungden of the U. S. cruiser Albany at Vladivostok late in December, has been decided upon by a group of army reservists here. Members of the association are descendants of the "Edokko," the original natives of ancient Tokyo, who were banished for their cowardice. It is urged that a petition be sent to the court martial which tried Ogasawara, asking for his release and declaring that his punishment would destroy military discipline.

PLEASANTLY SURPRISED.

On Monday evening Mr. and Mrs. J. H. McLeod were pleasantly surprised when about forty of their friends invaded their home at 344 Lancaster avenue, West St. John, and after congratulating them on the anniversary of their wedding, presented to them a magnificent electric parlor lamp. Needless to say, they were delighted. Those present participated in games, dancing and music after which luncheon was served and the gathering broke up about two o'clock after a very enjoyable evening, and with all good wishes for their host and hostess.
