

LOCAL NEWS

The C. N. R. eye testing car, in charge of Norman Sinclair, of Moncton, is in the city for the purpose of making the periodical eye test of railway employees in this vicinity.

William Webber, general passenger agent at the Atlantic ports for the C. P. R. (ocean traffic); G. S. Reid, passenger agent; D. J. Cable and five more of the C. P. R. Staff will leave this afternoon on the train for Montreal. They expect to be in Montreal in time to meet the liner Minnedosa. A portion of the staff from this port will go to Quebec.

The firemen were called out by two still alarms yesterday afternoon. The first was for a grass fire about 4 o'clock in Cedar Grove Crescent. This fire burned a large quantity of grass between Cedar Grove Crescent and Cranston avenue. The second still alarm was for a small chimney fire in a house in Hazen street. No damage was done in either case.

All records for the month of April in regard to high temperature for this city were broken yesterday when the mercury climbed to seventy-four degrees above the cipher. It was the warmest April day ever recorded at the local observatory, which has been established since 1874. The former high mark for the month of April was in 1886, when the glass recorded seventy-two degrees and in 1908 when a like mark was reached. The minimum yesterday was forty-four. There was very little wind, gentle breezes of from six to eight miles an hour being recorded.

A SHREWD INVESTOR.

The late Judge Britton of Ontario, who died a few months ago, left a fortune of nearly \$2,000,000, most of which was invested in bonds. Out of \$1,800,000 in bonds there were, in round figures, \$745,000 of municipals, \$895,000 of Dominion of Canada, \$20,000 of United Kingdom, and \$20,000 of provincials. There is a hint in this, the Toronto Star suggests, for smaller investors.

STADIUM FROM U. S.

Paris, April 2.—(Associated Press by mail)—A second stadium is to be given to France by America when the American Committee for Devastated France presents to the city of Soissons a similar sports ground to Pershing Stadium, presented to Paris by the American army. During the war the American Red Cross acquired a large plot of ground in which to carry on its work, and soon after the armistice this property, much damaged, due to trenches having been dug across it several times, and also to a large number of shell holes, was presented to the Municipality of Soissons by the Red Cross. The American Committee for Devastated France now has come to the rescue and will pay the cost of levelling the ground and erecting a stadium.

RECENT WEDDINGS

Montreal, April 27.—The marriage of Miss Jean McAdam Wells, daughter of Mr. and Mrs. W. J. Wells to Mr. Harold Parks, son of Mr. and Mrs. W. B. Parks of St. John, took place this evening, at 7 o'clock, at the home of the bride's parents, 4006 Montreal avenue. The ceremony was performed by the Rev. W. D. Reid, of Stanley Presbyterian church.

RECENT DEATHS

Mrs. George Steel.

The death occurred last evening at her residence, 183 Main street, of Mrs. George Steel, wife of Rev. George Steel, D. D., after a lingering illness. She was the daughter of Mr. and Mrs. George Wright, formerly of Wright's Mills, Prince County, (P. E. I.). Her father was of United Empire Loyalist stock. Her mother was a sister of the late Rev. John Butcher, Wesleyan, and Rev. George Butcher, Bible Christian. After the death of her father the family moved to Charlottetown. She graduated as a nurse from the Boston City Hospital and for some time had charge of one of the wards. In 1892 she was united in marriage to Rev. George Steel and took charge of his four boys who, four years previous to this, had lost their mother. In the Carmarthen street church, this city, she began her duties as minister's wife. Chatham, Portland, Sackville, Be-deque, Shediac, were the other fields in which she served. For the last eight years, her husband being superintendent of Methodist missions, she was connected with the Portland street church. In nearly all those charges she rendered excellent services as Sunday school teacher. In Portland, however, she spent her energies almost entirely in behalf of the Women's Missionary Society. As a missionary leader she greatly excelled. Besides her husband there are left Professor, Percy, merchant of St. John; Vernon, manager of the Canadian Bank of Commerce at Champlain, (Alta.); and Arthur, of St. John. Her only child, Frances, was last year married to Rev. George D. MacLeod and is at present engaged in Presbyterian missionary work in British Guiana.

Her surviving sisters are Mrs. Charles Full, of California; and Mrs. M. M. Rogers, of Charlottetown. Her brothers are Mark Wright, of Victoria, (B. C.); and G. Dudley Wright, of Charlottetown.

Mrs. Edward Brown, 156 Mill street, has received the sad news of the death of her brother, William Morrison, which took place in Somerville, Mass., on last Sunday, after a brief illness from typhoid pneumonia. He was thirty-seven years of age and was a native of Nova Scotia. Besides Mrs. Brown he leaves several brothers and sisters, including Mrs. William Earle, Cedar street, and also his wife and two small children. The funeral will take place at his home in Somerville.

H. E. Gross of Moncton, has received a telegram from his brother, Clarence, in Vancouver, informing him of the death of that city of Mrs. Geo. B. Gross, formerly Miss Mary Wallace, daughter of the late John Wallace, M. P. of Hillsboro, A. C. Death followed a serious operation. She is survived by two brothers, Geo. P. and John Wallace, and one sister, Mrs. Archie Steeves, all of Hillsboro, Albert Co. The body is being brought to Hillsboro for interment.

Mrs. Gross is also survived by one daughter, Marietta (Mrs. Frank Parsons, of Vancouver), one son, Leslie, of Vancouver, and one daughter, Miss Eva, at home.

Mrs. Amanda Dryden died at the home of her sister, Mrs. Gabriel P. Steeves, Hillsboro, N. B., on Tuesday

morning, after a long illness. She was seventy years old, and leaves one daughter, one son and four sisters. The son is G. Arthur Abbinette of this city.
