but the Blue Birds have had the ad-
vantage of playing a game against the Hal-
fax colored ladies' team, in the Garrison
City, and defeating them. The two op-
posing teams are confident of securing
victory. Time will decide the issue.

Four Bouts.
Philadelphia, June 29—George Chaney,
of Baltimore, outpointed Joe Tiplits, of
New York, in a hard fought eight-round
bout here tonight.

Kid Williams of Baltimore, gave
Louisiana of this city, a severe beating.
Danny Kramer, knocked out
Johnny Russell, New York, in the fifth
round.

Joe Benjamin, one of Jack Dempsey's
sparring partners, and Harris (Kid)
O'Farrell, boxed eight rounds
to a draw.

Coffey Gets Decision.
New York, June 29.—At the Com-
monwealth Sporting Club here last night
Jim Coffey won a decision over B.
Bolger in ten rounds. Mike McTigue
scored an easy victory sending Fred
McKay into dreamland in the first
round. Willie Bush, who substituted
for Vic McLoughlin, won a decision
over Young Ahearn in ten rounds.

ATHLETIC.
Amherst Athletic Field.
Amherst News: The grading and
drainage will be commenced on the new
athletic grounds, under the supervision
of the town engineer, as soon as Re-
corder MacKenzie is satisfied with the
plans of the field. The field will be
three hundred and fifty-five feet
long, to be surrounded by a quarter-mile
track that will be virtually square, al-
though the corners will be cut down.
This will give ample room for a hun-
dred yard dash, in front of the grand
stand. With the plan, Engineer Wright
said that all of the earth taken out
in grading would be needed on the
ground. There will be a slight slope to
the field for the purpose of drainage,
about eight inches in one hundred feet.

THE TURF.
Frederickton Races.
Frederickton, N. B., June 30—High
Knob Beauty, a bay mare by the Ex-
ponent, the sire of The Exponent, 2:06,
is an even money favorite against a field
of seven other unmarked pacers which
will start in the 2:26 pace, the first race
on the programme of the "certain raise"
of the Maine and New Brunswick circuit
which is to open here today. High
Knob Beauty was bred in Illinois and
imported during the past winter by H.
C. Jewett, of this city, who purchased
her at the Chicago sale.

Alfred King, 2:13 1/4, the trotter which
won eleven races in twelve starts in the
New England states last season for
Frank Fox, is the favorite in the 2:18
trot and pace, but it is expected to be
beaten by the Houlton owned
trotter and Border Prince, 2:13 1/4, an-
other member of Harry Jewett's stable.

Togo M., 2:14 1/4, the Woodstock trot-
ter, and several pacers make up the field,
Signature, 2:18, owned by Len Acker,
of Halifax, having sold as the third
choice in the early betting.

Saskia, 2:16 1/4, the St. Stephen trotter,
is the only one which seems to have a
comparatively easy race in sight, for
this evening and she is favorite in the
2:27 trot.

RECORDS OF THE
CONTENDERS IN
SATURDAY'S FIGHT

Carpentier Has Won 71 Out
of 85 contests—Dempsey
Victor in 55 Out of 64 Bat-
tles, 45 by Knockout Route
—Each Knocked Out Once.

New York, June 30—Veterans of
numerous gory ring battles, will face
each other in the ring when Jack Dem-
psey defends his heavyweight title against
the challenge of Georges Carpentier in
the Jersey City ring, July 2. Through
several campaigns, both have won and
lost contests in nearly every possible
manner. Both have won by knockouts,
on points and by fouls; both have lost
on points and by knockouts, although
Dempsey never has lost a decision on a
foul as did Carpentier to Frank Klaus,
when Manager Descombes climbed into
the ring to save the Frenchman from
further punishment.

Carpentier, fighting since 1907, is the
more grizzled veteran of the two. In
winning his way up from the bantam-
weight three-fours he has climbed into
the ring to save the Frenchman from
further punishment.

WHAT HOLDS
MEN BACK

IN LIFE, IN MANY CASES, AND MAKES THEM
WEAK, NERVOUS AND IRRITABLE
WHEN THEY OUGHT TO BE IN
THEIR BEST PRIME

As men grow older the iron in their
blood is apt to thin out and as a conse-
quence their nerves and will power be-
come weakened and they may respon-
sively lose both bodily and mental vigor.
A New York physician says "that more
than one half the population of America
perishes before middle age and that one
of the chief contributory causes of this
terrible waste of human life is the
deficient amount of iron in the blood.
There are 30,000,000,000 red blood
corpuscles in your blood and each one
must have iron. When your blood is
starving for iron, no mere tonics nor
stimulants can put you right; starving
blood must have iron from the same as
a starving person must have food—iron
is red blood food. But when you take iron
be sure to take organic Nuxated Iron,
and not metallic iron which
people usually take. Metallic iron is
made merely by the action of strong
acids on small pieces of iron, while or-
ganic Nuxated Iron is like the iron in
your blood and like the iron in spinach
and apples. It quickly helps make rich
red blood and revitalizes your worn-out
exhausted nerves. Beware of substitu-
tes. Look for the word "Nuxated"
on every package and the letters N. I. on
every tablet. Your money will be re-
funded by the manufacturers if you do
not obtain perfectly satisfactory results.
For sale by all druggists.
