## "LIV-RITE" CURED CARLETON WOMAN

**Mrs. Ketch of Havelock Street Found Relief—Read What She Has to Say.**

A West St. John woman, Mrs. G. Ketch of Havelock street, has become one of the many who are using "Liv-Rite" and finding it a decided help in relieving them of various internal troubles. Her letter may be of interest to fellow sufferers:

"The Maritime Drug Co., 108 Prince William street, City:  
"Dear Sirs—I only wish I had known of your 'Liv-Rite' sooner. I have just about finished my second box and feel ever so much better. For some time past I had been troubled with different ailments, which were telling upon my system, and which I attribute to my liver not being in proper working order. I was inactive about the house, felt tired and listless, was drowsy after eating and was generally run down. Then someone recommended your 'Liv-Rite' and I tried it. I thought I did so almost feeling that it would do me no good. Imagine my surprise and pleasure in finding after taking one box that I was beginning to feel better. I now feel convinced that it was 'Liv-Rite' which has made me so improved in health and you might please send me another box. I shall keep it in the house as a preventive."

With so many evidences being received of the good qualities of "Liv-Rite" there is little hesitation in recommending it. If your druggist can't supply you send a dollar to the Maritime Drug Co., 108 Prince William street. You can get it in St. John at the following stores: Crockett-McMillan, Main and Union streets; The Ross Drug Co., King street; Short's Pharmacy, Wall street; the O'Neill Drug Co., Brussels street; Wasson's, Main street; Hazen Dick's, Charlotte street; Clinton Brown's, Waterloo street and the Moore Drug Store, Brussels street—(Adv't.)

**POLICEMEN ELECT OFFICERS.**  
The regular meeting of the Police Protective Association, No. 61, was held on Monday evening and the officers for the ensuing year were elected as follows: Harry Donahue, president; John Linton, vice-president; William Gibbs, recording secretary; Stephen Spinney, treasurer; John H. Saunders, warden; Patrick Bid- discombe, chaplain; and R. Hogg, guard. A strong committee of ten was appointed to look after arrangements for ice sports which will be held in the near future. The financial statement showed that the association was flourishing and in a much better condition than it was at this time last year. Regular routine business was also transacted.

## STEWART TRUCK NOW REPRESENTED HERE

McGrath Harris Co., Ltd.,  
Have Secured Agency and  
Look For Big Business.

The famous Stewart Motor Truck is now represented in St. John by McGrath Harris Co., Limited, 60 Cliff street, and this firm are now expecting a number of the trucks for local use.

Both Mr. McGrath and Mr. Harris are practical mechanics and searched the market for their ideal of a motor truck and feel they have found it in the Stewart.

"The Stewart has from 300 to 700 less parts than other motor trucks, thus eliminating weight," said Mr. McGrath, "and this feature also precludes the possibility of mishap in operation as the Stewart is practically 'fool proof'."

It is interesting to learn that during the reconstruction period in connection with Halifax disaster, two two-ton Stewarts worked steadily for eight months without a visit to the repair shop.

Farmers Resolve to Go Full Strength Into Elections

Resolutions Adopted in Winnipeg Set This Out and Name Their Platform "The New National Policy."

Winnipeg, Jan. 7.—(By The Canadian Press Limited).—The all day conference of representatives of farmers' organizations in the prairie provinces and the east, called to consider the entire corn, root and all, lifts right out with the fingers.

This new drug is being dispensed at small cost, through a number of bottles, which is sufficient to take off every hard or soft corn from one's feet. It is a sticky substance which dries at once and does not inflame or irritate the skin. There is no excuse for anyone inviting death by infection or lockjaw from cutting their corns now.

## SHOULD MAKE A MILLION FOR HIM

Cincinnati man discovers drug that loosens corns so they lift out.

Local druggists are having a tremendous call for freezone, the drug which is small to shelve a corn, root and all, without any pain.

A few drops applied directly upon a tender, aching corn relieves the soreness at once, and shortly even the entire corn, root and all, lifts right out with the fingers.

## I. O. D. E. CHAPTERS NOMINATE OFFICERS.

For the purpose of nominating officers, various chapters of the I. O. D. E. met last evening, and there also followed a discussion of plans for winter activities. The Seven Seas Chapter met at the home of Miss Ray Wilson, Queen square, Miss D. Jones, the regent, presiding. Reports were presented on the essay competition by Misses Marion Flagg, Zelia Lamoureux and Faith Henderson. The resignation of Miss Jones as president was accepted with regret.

Windsor chapter held its meeting at the home of Miss Dunham, in Dufferin row, West End. The regent, Miss Gertrude Lawson, was in the chair and there was a good attendance of members. Plans were considered for winter activities.

The Lady Roberts chapter met at the home of Miss Kildee Lee, Leinster street, and the regent, Miss Marjorie Robertson, presided.

The Loyalist chapter made several very generous votes of money and undertook some new work, adding to its already lengthy list. The meeting was held at the home of Miss Starr, in Carleton street, with the regent, Mrs. Hugh Mackay, presiding, and a good attendance of members. In answer to an appeal, it was decided to hold monthly sewing meetings to make garments for the Evangeline Home. The chapter voted the payment of a child welfare Victorian Order nurse. Other sums voted were \$200 for the Y. W. C. A. recreational centre, and \$25 for the Boys' Club.

When the nominations were being taken for the officers to be elected at the next meeting, Mrs. Mackay refused nomination. The chapter most regretfully accepted her decision not to stand for office. She has been assisting in her efforts to promote its interests and aid all its projects. Mrs. Mackay has held office as regent since before the war and has been an inspiring leader to her chapter.
