

GOOD THINGS COMING TO THEATRES OF ST. JOHN

DON'T MISS THE MIDGET WONDERS

Clever and Novel Performance of Diminutive Acrobats, Boxers, etc.—Popular Musical Hit and Pleasing Comedy Playlet at Opera House—New Bill for Friday.

Tonight will be the last opportunity for patrons to see the Three Piccolo Midget Wonders in the Opera House. Their clever acrobatic feats, dancing and burlesque boxing match are a real treat and well worth seeing. In addition Kurt and Edith Kuehan have a very popular musical offering, which has been making a decided hit. Those who enjoy an original comedy skit should not miss the one-act play entitled "The Real Reason," which is cleverly presented by Florence, Henry and Company. There will also be two other good numbers in addition to another episode of "The Black Secret," featuring Pearl White.

The new bill for Friday will be as follows—Ziska and King, in their latest Magt comedy, "Outgunning Sam," Lou Elliott in a great feature offering which must be seen to be enjoyed; Edson and Doc, "the dog with the human brain," Moot and White, two classy dancing stars; Fuller and Vance, "The Boob," and the girl with the mirror game. There will also be another episode of the motion picture serial "The Midnight Man," featuring James J. Corbett.

"THE CONVICT'S SWEETHEART"

Melodrama of Old-Fashioned Kind, Queen Square Theatre Attraction Friday.

Queen Square Theatre will offer "The Convict's Sweetheart," produced by the Young Adams Co., commencing Friday matinee, for the balance of the week. Real old fashioned melodrama, the kind that used to thrill father and mother in the days of long ago, is the action of this play. Mr. Young as Eugene O'More and Miss Adams as Hazel Randolph, the convict's sweetheart, have the leading roles, while the rest of the company is well cast. The daily matinee continues to be well patronized.

TONIGHT TERMINATES "MALE AND FEMALE" RUN.

Imperial Theatre Still Attracting Thousands With Sir James Barrie's Great Fiction.

The Imperial's run of Sir James Barrie's "The Admirable Crichton," under the film title "Male and Female," will be brought to an end this evening with two shows, starting at 7 and again at 9. Those who have seen the photoplay are its best advertisement. Everybody seems charmed with it. Such splendor and gorgeousness in private living have never been seen as depicted in Lord Loom's home in London, which find sharp contrast in the wild jungle scenes when the wealthy party are so thrillingly shipwrecked on a tropical isle. The film is an artistic triumph from every angle.

HAVE YOU SEEN BLIND HUSBANDS? NOW SHOWING AT THE UNIQUE.

"Blind Husbands" is certainly packing the Unique this week, and sending everyone away happy after witnessing the most thrilling photodrama that has ever been produced. With as many thrills as the most thrilling serial, and as inspiring scenery as the most superb travel comic, "Blind Husbands" will give you a tremendous hour of romance and glorious outdoor settings. So gripping is this story, so perfectly told, that it requires almost no explanatory titles. See it without fail. The picture you will never forget. It is one of the big "specials." Now playing. Matinee for ladies and children, 10c, 15c; evening for 7, 8, 30, 15c, 25c. Same old prices.

BEWARE OF TENDER GUMS

Unhealthy soil kills the best of wheat. Unhealthy gums kill the best of teeth. To keep the teeth sound keep the gums well. Watch for tender and bleeding gums. This is a symptom of Pyorrhea, which afflicts four out of five people over forty.

Pyorrhea menaces the body as well as the teeth. Not only do the gums recede and cause the teeth to decay, loosen and fall out, but the infecting Pyorrhea germs lower the body's vitality and cause many serious ills.

To avoid Pyorrhea, visit your dentist frequently for tooth and gum inspection. And use Forhan's For the Gums.

Forhan's For the Gums will prevent Pyorrhea—check its progress, if used in time and used consistently. Ordinary dentifrices cannot do this. Forhan's will keep the gums firm and healthy, the teeth white and clean.

Start using it today. If gum-shrinkage has set in, use Forhan's according to directions, and consult a dentist immediately for special treatment.

The F. A. Dykeman Co. Announce Their Formal Opening of SPRING FASHIONS

Spring is here, and with it hosts of new styles. Most women look forward to this event with eager anticipation. This year the showing will afford them more real delight, for choice and variety know no restrictions. Here one finds modish apparel for every need in almost endless variety of styles, fabrics and colorings. If we can judge from the enthusiasm of past spring exhibits, we predict an unusually large and appreciative attendance here.

Grace of Line is a Prominent Feature of the Newest Coats

The showing of Spring Coats here is a revelation of the designers' and fabric makers' art, anticipating every requirement of a woman's day. There are Coats for street and travel wear, for motoring, for outing and for sports wear. Each one with a distinctive charm peculiarly its own.

Many Enchanting Suit Modes Greet Spring Shoppers

Women's Suits are of two distinct classes—those strictly tailored and decidedly smart for street and travel wear, and those most elaborately embroidered exquisite affairs for afternoon and dress occasions. Of the former, Tricotines, Cabardines, Twills and Serges are mostly favored, trimmed with braids, silk stitching and embroideries. Dame Fashion particularly approves of Navy Blue.

Separate Skirts Are the Vogue of Today

Not for many years have Separate Skirts been quite as well accepted as they are this season. With so much assurance as to their smartness, there is every reason why the styles should be more interesting than ever, and a review of our present displays would indicate that this is so. Satines, Tricotines, Novelty Silks of much richness, and Tricotine are among the varieties this store is showing.

Frocks to Accentuate Feminine Charm

It must be admitted that frocks were never more popular, the trimness of the Street Dress of Serge or Satin leads to its very general acceptance. While the exquisite beauty of frocks for afternoon or evening occasions is excuse enough for their being silver embroidery and lace combinations of smart Silks, a general use of Georgette rich with beaded designs, give an idea of their becomingness and charm.

The New Blouses Are Captivating

Essentials complements of the Suits and Separate Skirts are these new Blouses, so many of which are fashioned of Sheerest Lawns, Exquisite Crepe-de-Chene and Dainty Georgette. Hand embroidery is employed on many of the models. There is a general concurrence that long sleeves and a modified décolletage at the front are smartest; but there is much variety in these sleeves and delightful charm in the open throat lines.
