**CAMPBELLTON BILLS
HEARD BY COMMITTEE**

All Three Are Passed—The
Guides and the Game Laws

(Special to Times).
Frederick, April 5—Three bills relating to the town of Campbellton were taken up by the municipalities committee today. They were an act to authorize the town to assess in aid of the Hotel Dieu Hospital, and others to amend the acts relating to the town council. Hugh A. Carr, town solicitor, appeared in support of the bills. All were passed. The Moncton bill which seeks authority to tax non-residents working in the city again came up. The town solicitor, E. R. McDonald, and the mayor, Alex. McQueen, of Shediac, were heard in opposition on behalf of men whose homes are in Shediac but who work in Moncton.

Hon. C. W. Robinson spoke in favor of the bill. A large delegation of guides waited on the government last night after adjournment of the house to discuss the game laws. They protested vigorously against requests made to the government for the cancellation of the law prohibiting the sale of game medals and asked that the law should continue as it stands.

POLICE COURT
John E. Simpson was in the police court today charged with supplying lemon extract to John DeLay who, it was said, gave it to William Gibson and George Harrison. The defendant pleaded guilty, and some evidence was taken. The matter is under consideration.

Albert Handrahan was charged with being drunk and having liquor in his possession other than in his private dwelling. He was fined \$58 and was remanded.

Nine men were also charged with drunkenness and were fined \$8 each. One of the number, George DeForest, was found by the police at 4 Queen street in a coal bin. It is said he damaged a bench and other articles in the police station.

TUG IS AWAY TO PUBLIC LANDING

Flushing Will Bring Down Tow of
Logs—Milkish People in For
Supplies

Today practically saw the opening of navigation on the St. John river when the tug Flushing went to Public Landing with a scow in tow to bring back a raft of logs consisting of 100 joints. There is still considerable ice floating about, but the Flushing is one of the largest and strongest towboats on the river and should not experience any difficulty en route.

John Whelpley of Carter's Point, arrived at Indiantown in a motor boat a few days ago, the first man to come down river this year. John Morrow of Milkish Island arrived at Indiantown this morning with a raft of logs to replenish their supplies, after being practically marooned by the ice becoming unsafe for crossing several weeks ago.

RECEPTION IN HONOR OF MISS AGNES WARNER

Delightful Function This Afternoon
as Tribute to Nursing Sister

Nursing Sister Agnes Warner, who returned home via New York after five years of self-imposed hospital work exclusively among the heroic soldiers of La Belle France, for which labor she wears coveted decorations expressive of that nation's gratitude, is being honored by her home city at a reception in the Studio Social Suite, Germain street, this afternoon.

Royal Standard Chapter, Daughters of the Empire, is tendering the reception under the leadership of the energetic regent, Mrs. E. Atherton Smith. It was expected that the attendance would be fully representative of the chapter, as all members have been especially enthusiastic in appreciating Miss Warner's work. American Consul H. S. Culver, Geo. S. Cushing, members of Miss Warner's family circle and a few others were to be guests.

The programmed order of the welcoming function included the national anthem, the playing of the Star Spangled Banner—Miss Warner being American-born—an address in French read by Mrs. Daniel Muller—Miss Warner's reply and the playing of The Marseillaise by the orchestra. Afternoon tea was to be served and there were to be vocal numbers in which Louise LeCheur was to sing "The Rose of No Man's Land." The rooms had been very daintily decorated for the occasion with panoplies of British, French and American flags, fleur-de-lis motifs here and there, and spring flowers.

He was employed with other workmen in digging up a sewer in Union street when he found an English sovereign dated 1815 and issued during the reign of King George III. EVANGELISTIC

The evangelistic services conducted under the auspices of Carleton Methodist, Charlotte street and Ludlow street Baptist churches continue to increase in interest and numbers attending. The meeting last evening was held in the Methodist church and was presided over by Rev. E. A. Westmorland. On the platform were Rev. Peter McArthur, Rev. J. H. Jenner and Rev. W. R. Robinson. The vestry was filled with an interested congregation who listened with profound attention to a soul-inspiring address by Rev. Mr. McArthur on the story of Philip and the Eunuch. He traced the history of this man's wonderful conversion in graphic language, the whole being replete with anecdote and illustration, leaving a lasting impression on all present. Rev. Mr. McArthur's appeal to the unconverted was firm and full of sympathy. Several decided there and then to lead a new life. In a religious social service that followed a very large number spoke of their faith in the religion of the Lord Jesus Christ. Rev. Mr. McArthur was to address the children this afternoon at 4 o'clock in the Ludlow street Baptist church.

Clothes of Individuality

The outstanding fact about clothes is that they tell a whole lot about the man who wears them. People take it for granted that a man's clothes are at least an expression of his individuality, so that clothes are important in every man's life and

Have You Seen the Leather Den Set Now In Our Window?

They say every person has two countries—his own and France.

Same with regard to taste in Den Furnishings. No matter what style of suite is chosen, in wood or tapestry, an all leather set is always attractive.

The set now showing consists of three pieces—lounge, chair and rocker—and is of the over-stuffed style with spring back and sides.

Leather, while stout and highly durable, is soft and very appealing to eye and inviting to body.

A "close-up" inspection costs nothing and will serve in good stead when you do buy a set of this kind, even if this isn't the set.

Not overly expensive either.
