GOOD THINGS COMING TO THEATRES OF ST. JOHN

### "SPORTING LIFE" LOUDLY APPLAUDED

Today

The Imperial Theatre was packed to its capacity all day yesterday when its second anniversary feature received its first presentation in this city. That the picture lived up to the advance notices seemed very evident by the applause which punctuated its scenes throughout. The boxing bouts at the National Sporting Club, thrilling race at the Derby track and the very exciting recovery of the racing mare from the cellar of the gin-mill, marked high water in exciting moments for Imperial patrons, and it was an unusual thing to have the house resound with applause from men and women alike on both floors as these scenes are emacted. Sporting Life will be shown again today and tomorrow and, as yesterday's exhibition will be its best advertisement, the probability is that every greater crowds will attend.

Special Sale of Boys'

Suits at Oak Hall

Oak Hall has been fortunate in procuring a special lot of Boys' Suits to sell at an unusually low price. These suits went on sale yesterday morning and all day long mothers were bringing in their boys to be outfitted. The boys were delighted with the boyish, stylish appearance of the suits, while the mothers were more than pleased with the good wearing materials.

In the regular way, Oak Hall would be obliged to sell these boys' suits for as high as \$16, but having purchased them at a very special price, they are now offering their customers the same advantage and putting them on sale for \$10.98. Although this sale will continue until Saturday pight, it is doubtful if the suits will lest that long, considering the great demand so far, so it behooves everybody to take advantage of this sale at the earliest opportunity.
