A MARVELLOUS REMEDY FOR A MARVELLOUS AGE!

Holloway's Ointment.

THE GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to and organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthma, Coughs and Quills, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, RHEUMATISM AND SCORBUIC HUMOURS.

No remedy has ever done so much for the cure of Erysipelas of the Skin, as this Ointment. It is the Ointment for Scurvy, Sore Throat, Stomach, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, suppuration or contraction of the joints, even of 20 years standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:

|--------------------|----------------------|

HOLLOWAY'S PILLS.

WHY ARE WE SICK?

It has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the Weak, the Nerves, the Delays, and the Irritations, of all times, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

THESE PILLS PURIFY THE BLOOD.

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

DYSPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to those organs, however much deranged, and when all other means have failed.

GENERAL DEBILITY, ILL HEALTH.

Many of the most despotic Governments have ordered their Court-Houses to be furnished with these Pills, that they may be used by the masses. Learned Colleges admit that this medicine is the best remedy ever known for persons in delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

FEMALE COMPLAINTS.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; consequently no family should be without it.

Holloway's Pills are the best remedy known in the world for the following Diseases:—

- | | |
|-----------------------|--------------------|
| Ague & Fever | Jaundice |
| Asthma | Liver complaints |
| Bilious complaints | Lumbago |
| Bleaches on the skin | Pile |

AYER'S PILLS.

A NEW and singularly successful remedy for the cure of all Bilious diseases, Costiveness, Indigestion, Jaundice, Dropsy, Rheumatism, Fever, Headache, Pains in the Breast, Side, Back, and Limbs, Female Complaints, &c. &c. Indeed, very few are the diseases in which a Purgative Medicine is not more or less required, and such sickness and suffering might be prevented, if a harmless but efficient Cathartic were more freely used. No person can feel well while a cœtic habit of body prevails; besides it soon generates serious and often fatal diseases, which might have been avoided by the timely and judicious use of a good purgative. This is also true of Children, Excessive symptoms, and Stomach Derangements. They all tend to become or produce the long-continued and irremediable distempers which lead the hearse all over the land. Hence a reliable family physician is not the first importance; the good basis and the Pill has been perfected with consummate skill to meet that demand. An extensive trial of its virtues by Physicians, Professors, and Patients, has shown results surpassing anything hitherto known of any medicine. Cures have been effected beyond belief, and they are not established by persons of such exalted position and character as to forbid the suspicion of fraud.

Among the eminent gentlemen to whom we are indebted for testimonials, are the following:

DR. A. A. HAYES, Practiced Chief of the Port of Boston, and Surgeon of the State of Massachusetts.

DR. A. J. HAYES, M. D., eminent Surgeon and Physician of the City of Lowell, who has long used them in his extensive practice.

H. C. SOFTS, M. D., Chief of one of the first mercantile houses in New York City.

C. A. DAVIS, M. D., Surgeon and Surgeon of the United States Marine Hospital, at Chelsea, Mass.

Did space permit, we could give many hundred such names, from all parts where the Pills have been used, but expense forbids mentioning them; the certificates of these eminent public men is shown in their original form.

These Pills, the result of long investigation and study, are offered to the public as the best and most reliable medicine for bilious state, and all other diseases which the system is capable of contracting. They are compounded not of the drugs, but of the medicinal virtues of only vegetable matters, and are perfectly pure, and in a state of purity, and combined together in such a manner as to insure the best results. This system of compounding a far more delicate, less irritating in the Chamber of the body, to produce a more efficient remedy than had hitherto been obtained by any process. It is not a cathartic, or a medicine, but a medicine, and is perfectly safe, and is not attended with any of the ordinary effects of a cathartic.

As it is frequently expedient that the medicine should be taken under the control of an attending Physician, and as he could not properly judge of a remedy without knowing its composition, we have supplied the accurate Formulae by which every Federal and Pills are made to the whole body of Practitioners in the United States and British America.

Of all the Patent Medicines for sale, there is no one who has not received them, they will be properly forwarded to you if so ordered, how few would be taken if their composition was known. Their full exposure is their injury. I have no competitors.

The composition of my preparations is laid open to all eyes, and all who are conversant with the science of medicine, freely acknowledge the superiority of their ingredients. The Chief of the Patent was pronounced by scientific men to be a wonderful medicine, before its effects were known. Many eminent Physicians have declared the same thing of my Pills, and even more confidently, as they will be ready to testify that their preparations were more than realized by their effects upon trial.

They operate by their powerful influence on the internal vessels to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, and by their action on the system, and by correcting whatever they exist such derangements as are the first origin of disease.

Being sugar wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.

For minute directions, see the wrapper on the Box.
