A Dutchman and an Irishman once met lonely highway. As they met each smiled, tkinking he knew the other. Pat, on seeing his mistake remarked. "Faith, an' I thought it was you, an' you thought it was me, an' it's nayther of us.

A Memphis girl was married the other day, and immediately sold her piano, bought a sewing machine, and made her husband a suit of clothes and herself two calico dresses, and now fourteen young men are seeking the han I of her beautiful unmarried sister

A recent calculation relative to the principal European languages shows that English is spoken by ninety millions of persons, German by fitty five millions, Spanish by fifty five millions, and French by forty-five-millions.

. "If you want to see what men will do in the way of conformity," says a modern philosopher "take a high hat for your subject of meditation. I dare say there are twenty-two millions of people at this wind to wearing one of these hats to please

Fun should be cultivated as a fine art, for it is altogether a fine thing. Wherever knew a tunny man to be a had one? On the contrary, is he not, time times out, of ten, generals, humane, social, and good? To be sure the istance of the social state of the social state. Fun-it is n great thing. It smooths th rough places of life; scatters sun-hine and flowers wherever it goes; gives the world a round, july countenance, and makes all the girls as pretty as June roses

A man courting a young woman was inter rogated as to his occupation. "I am a paper hanger on a lurge scale," he replied. II married the girl, and turned out to be a billposter.
