MISHAP TO THE HAZELTON. According to news received from the north the steamer Hazelton met with an accident on the first trip of the season down the Skeena river. The yon, where the water not only runs very swiftly, but where the river is extremely narrow. The steamer struck her bow against the side of the rocky wall in making the turn, and then glancing off, her stern came against the shore. Her propelling wheel was torn off and one of the large timbers aft holding the wheel in position was also smashed. The steamer was taken down to Port Essington and is now on the ways there undergoing repairs. She will be ready for service again in a week.

ARRIVAL OF BEATRICE.

Steamer Princess Beatrice arrived from the north on Saturday afternoon. en route to Victoria, and J. Doyle, a cannery man of Victoria.

The Beatrice will leave for the north to-night, and will earry north Messrs. boundary between Canada and Alaska.

SHIPPING SPARS. It is said that the salling vessel Mozanbique will take out the biggest shipment of long spars ever taken from Vancouver. These spars are a hundred inches square, and are as near perfect of this kind. This shipment is exceptionally good in this way, and the

MARINE NOTES. From her resting-place on the rocks in Columbia river, near Reuben, half tugs from Portland is engaged in raising the venerable steamer George W. Elder. The final effort will be made to-day, when, assisted by tide and the annual spring rise of the river, it is

expected to float the vessel. COWICHAN NOTES.

Cowichan Station, May 14.-A concert in aid of the new church was held in the hall here on Wednesday evening last and proved quite a success, financially and otherwise. Those who contributed to the success of the concert were: Mesdames Souper, Paterson, Gibbons and Thomson. There were numerous encores, showing
