HAVING A PLEASANT TIME.

plaint is said to be that the atmosphere | the willow grouse from the market has our treatment promises to become of still here is a trifle on the dry side have been had a good effect. The placing of the greater value every year, not one of it were just a little bit more lively, to a state of perfection, but it will be Brunswick and Prince Edward Island Nevertheless there are compensations for an important reform and others will fol- claim that the Privy Council judgment the few disabilities under which we suf- low. fer. The times are sometimes lively enough in the House. As the government is getting more nervous every day, the measures it has introduced, and seem to constitute a grievance to the terest. It will be admitted, therefore, there appears to be no possibility of a minds of the government party in the that there are matters of considerable termination of the proceedings unless one British Columbia legislature. When the magnitude affecting the interests of all or two of the members who now afford it leader of the auxiliary forces on the op- the provinces bordering on tidal waters a sort of tentative support and thus pro- position side was explaining to the House still to be settled. It will probably be Will Endeavour to Secure the Combined long its misery be moved to compassion the virtues of the government's late rail- years before the complications are entirely at the sight of the pitiable plight of the way policy—it is understood the very cleared away. The government of Britpoor paralytic and deal it a last merci- latest creation will soon be brought down ish Columbia will no doubt be representful stroke. And this government has -a few days ago, the Minister of Fin- ed at the further conference arranged tried so very hard to please the mem- ance interjected a remark to the effect for the autumn, when in conjunction with masterly exposition of the provisions of the very last bill which purports to parently regarded this as a most unforemanate from the brain and hands of the tunate state of affairs. The Premier Ministers. After all, however, there is no reason why the government should despair. There is nothing to prevent its trying its hand again. It has no dignity not now be running behind at the rate also groans forth in his memorials that if the province had not been shorn of her black, R. Stewart, H. Firth, F. Norris, T. C. Sorby, Chas. R. Blake, R. Ryan, P. C. McGregor, Alex. The discussions in the House are becoming somewhat warm, to keep in harmonic and C. E. Redfern. trying its hand again. It has been described by the state of thousands a year. It many with the continues to fise and there is no hope of its gainto lose and there is no hope of its gaining prestige. But there is office to lose,
would be very interesting to find out who phere, probably. If the temperature for three months.

The consideration of the various that? Then there is the succession to the Premiership to struggle for. That should be worth something, especially to an ambre worth something, especially to an ambre worth something against the Dominion government. It is be a wrong it has existed ever since we joined confederation. It was not brought be worth something, especially to an ambre worth something, especially to an ambre worth something against the Dominion government. It is be a wrong it has existed ever since we joined confederation. It was not brought be worth something, especially to an ambre worth something, especially to an ambre worth something against the Dominion government. It is be a wrong it has existed ever since we joined confederation. It was not brought be worth something, especially to an ambre worth something against the Dominion government. It is be a wrong it has existed ever since we joined confederation. It was not brought be worth something, especially to an ambre worth something against the Dominion government. It is be a wrong it has existed ever since we joined confederation. It was not brought be worth something, especially to an ambre worth something against the Dominion government. It is be a wrong it has existed ever since we joined confederation. It was not brought be worth something, especially to an ambre worth something against the Dominion government. It is because of the constitution was resumed, beautiful. Parliament beautiful. Par order of the courts has thrown aside the mantle of leader of the federal Conservatives of British Columbia—with no hope of attaining anything more tangible in a quarter of a century—for the purpose of stepping into the shoes and honors of he who hopes to become Sir James. All these things are worth bringing down half a dozen more railway policies in the effort to grasp. What do the gibes and jeers of the opposition amount to when set down against them? The government set down against them? The government is deriving its share of the profits by care and other agents of destruction the shoesand other agents of destruction the results of the discussions be collected and the remainer of St. Pierre, after the manner of St. Pierre, It must be remembered that there is a mysterious sympathy between the profits there is a mysterious sympathy between the profits there is a mysterious sympathy between the profits of the more powerful of nature's forces; the three is a mysterious sympathy between the profits of jeers of the opposition amount to when set down against them? The government, was defeated again yesterday. What of that? It has the confidence of the Lieut. Governor, which is of more importance to it at the present time than the confidence of the electorate or of the Confidence of the electorate or of the confidence o the confidence of the electorate or of the House. It will not give up until it has brought down a railway policy which will movement. Let the Finance Minister expectation of the movement of the movement of the league shall consist of the confidence of the electorate or of the doing all in their power to stimulate the mature—in some cases rather crude titled to membership.

3. That all registered voters shall be entitled to membership.

4. That the league shall consist of the confidence of the electorate or of the doing all in their power to stimulate the movement. Let the Finance Minister expectation of the electorate or of the electorate or of the doing all in their power to stimulate the movement.
