FATALITIES IN SEATTLE

Workman Fell to Death-Child Killed

Seattle, Aug. 14.—Duncan Courage plunged 60 feet to his death from a scaffolding beside the hull of the battleage pulled from the staging in a wile effort to save his own life, miraculously escaped instant death, the force of his fall being broken by Courage's body. Bird's leg was broken below the knee. Courage was at work welding the plates. Bird was putting stop water canvas between these plates. Both worked to-gether 60 feet from the floor. Courage sought to pass Bird on the staging. In so doing he stepped too close to the edge. He lost his balance and grasped Bird's body. Then both men plunged together over the side.

In front of his mother's window the boy's mangled form. It was drag- month.

CIRCUS TRAIN WRECK.

Engineer of Second Section Admits Ha Failed in His Duty.

The government was still of train wreck here last Friday began tothe opinion that the best policy was to support the Austro-Russian endeavors to gineer of the second section, test field that mprove the administration.

Dealing with the protest against puzding the House on the fiscal controversy,

Dealing the House on the fiscal controversy, the Premier said he thought there was gauge on the engine that showed the no necessity for undue hurry in discussing the matter. There was no pending look at it between Charlotte and Durand, listed question, nor would there be one proper that the same of the condition of the air, and said he did not look at it between Charlotte and Durand. watch the gauge and also that if he had liament. With a final filing from With the war at it he would have known that ston Churchill, who seemed doubtful there was deficiency of air, and that the whether the present parliament would meet again, and who characterized the Premier's policy of transferring the fiscal discussion from parliament to the governdiscussion from parliament to the country as that of a demagogue, the sitting with looking at the gauge. Probst's theory of the lack of air, he testified, was that the governor that controls it beto the House of Lords to hear the came out of order and a small leak re-

ACCIDENT TO WARSHIP

Washington, Aug. 14.-Acting Secrewashington, Aug. 14.—Acting Secretary Darling to-day received from Capt. Emery the report of the board appointed to investigate the accident to the hull and machinery of the Massachusetts yesterday at East Harbor, Me. Capt. Emery the reports that two compartments of the Brooks, representing several to the first partial following the fir ery reports that two compartme ery reports that two compartments of the battleship are full of water. Slight leaks in other compartments are reported and athwart the ship there is a crack about eighteen inches long and half an inch wide. A second crack extends four feet across the plate and fourteen inches

> is to go there for repairs, which may cost a large sum. One hundred thousand dollars were spent on the Massa-chusetts when she grounded in New York harbor in 1899. The pilot was suspended for this accident.

THE ESCAPED CONVICTS They Are Well Armed and in Rough Country.

Carson, Nev., Aug. 14.-Officer C. E. Ferrell, of Reno, who has been on the trail of the escaped Folsom convicts with ent and pacification in South bloodhounds, has arrived here. Ferrell litions of agriculture and finance in the convicts, and was within 40 minutes After the reading of the King's posse had not abandoned the chase Ferrell thinks the convicts could have been captured.

They are now in a small valley be tween Roundtop and Hope valley, he says, the roughest country in the Sierras, but one with a hundred escape open to the convicts. Ferrell stated that he men are well armed and are now in a land where sheep camps and cattle camps are to be found on every hand. The convicts are Theron, Woods, Murphy, Fahey and Eldridge.

NEWS TO OFFICIALS.

Nothing Known Regarding Proposal That President Roosevelt Arbitrate Manchurian Difficulty.

London, Aug. 14.-Neither at the Amrican nor at the other interested embassies is anything known regarding the partment has received the following telestatement made in a dispatch last night gram from John F. Ewell, American from Yokohama, that China had secured Russia's consent to the use of President

## THE PLAGUE AT

THREE FATAL CASES IN MONTH OF JULY

Health Authorities of the Bay City No Longer Attempt to Conceal the Facts.

London, Aug. 14.—Both houses of par-iament assembled early to-day to wind reushed to death beneath the wheels of en out again in San Francisco, although admitted that bubonic plague has brokcrushed to death beneath the wheels of a string of freight cars. The accident of the Balfour, in a general reply to inquiries on matters of international interest, said of matters of matters of matters of international interest, said of matters of Zachau and a number of his boy comthere had been an unexpected delay in
the Venezuelan question due to the fact
that France and Spain objected to the
use of the English language by the trabunal. The question had been left to the

INCREASING HER FORCES.

Russia Will Send Three Hundred Thousand Men to the Far East.

(Associated Press.) London, Aug. 15 .- The Daily Mail prints a dispatch from St. Petersburg, which says that the excrespondent gathers from a reliable source that Russia intends to increase her military forces in the Far East to 300,000 men, with a the Far East to 300,000 men, with a street. With the gloves on I can go view to providing for any eventuality in a ground this big fellow like a hoop around the big fellow like connection with possible warlike intentions of Japan.

LITTLE BETTING

On the Yacht Races, the First of Which Takes Place on Thursday Next.

New York, Aug. 14.—Betting is backvard on the international race for the America Cup. In former years many thousands of dollars had been wagered

ral stock exchange h fifteen days ago, which he was instructed when he fights Corbett Friday night. I force of 40,000 troops besieged the place to place at 10 to 7 on Reliance.
