### Miramichi and the North Shore, etc.

THE ALMS HOUSE: -- On New Year's Day the impates of the Alms-house were enter

UMBERLAND County Court, His Honor, Judge Wilkinson presiding, will meet at Newcastle on Tuesday 24th inst. COUNTERFEIT :- The Quebec Chronicle Dominion Bank bills afloat, with the likemess of Jacques Cartier poor, and the signa-

w has been very much required of lase for lumbering operatious, as logs have had to be yarded instead of being hauled to the streams. This, to a great extent, will necessitate double handling, and add to the cost of procuring lumber.

TAX-EXEMPTION. - We understand that Parish, Kent. the question of exempting the Mortimore Hemlock Extract Works from local taxation, was considered. The meeting was, we understand, opposed to

THE COMING SHOW : - We are obliged to Messrs. Snider Bros. for a pamphlet containing the Rules and Regulations, Pet Stock Show to be held in St. John on 17th, 18th, 19th and 20th inst. The prizes amount to \$1,300, so the affair will, loubtless, be well worth seeing.

camps, North Branch, Renous River, one of Mr. McLaughlin's horses kicked another horse belonging to Mr. Dennis Doolan, breaking a leg of the latter animal, and it had to be killed. Mr. Doolan's loss is a considerable one, as the horse was worth about \$150.

THE SOCIAL held under the auspices of the Newcastle Brass Band, was quite a success. We have an account of it which appears to have been delayed, but are Another social dance, under the same aus pices, is to be held in the Newcastle Tem perance Hail, and it should be well pat-

Esq., Mathematical Professor in King's creected a magnificent residence, furnished throughout in the most elegant style, which have rendered harsh restrictive his Miramichi friends recently, being the guest of His Honor, Judge Wilkinson, at of his days. An Outario newspaper honest persons are forced out of the busisucceeded in shooting two fine ones.

MR. McANULTY, formerly a school teacher, who belonged to Nicholas River, Kent Co., died recently at Winnipeg where he had emigrated about twelve W. & G. Watt, Newcastle, and on leav ing their employ he went to Winnipeg, where he amassed considerable money.

THE WEEK OF PRAYER:-The week of of Murphy's dead body on Suuday. It prayer was continued on Thursday even was at once conveyed to the residence of Mr. McLaughlin, whence the funeral took Coulter presided and the Rev. Mr. Teed delivered an address on the "Moral train ing of the Young". On Friday evening. the meeting was held in St. Andrew's School Room, when the Rev. Mr. Coulter ed by the Rev. Mr. Howell. Both meet ings were well attended. That on Friday evening concluding the series.

the coming winter. The Rev. W. J. Wilkinson delivered the first on Thurs day, the 29th of Dec. W. R. Butler, Esq., B, C., Professor of Mathematics, His subject was the "Stars." Mr. Wilkinson's subject was "England's great Universities." The Rev. Mr. Sweet of New-Thursday, the 19th inst.

THE "RELIEF.":- Workmen are quite busy st Mr. James Neilson's shop, constructing a boiler for the steam tug Relief is to be of a plate of the best iron, the shell to be 7 ft. in diameter and the steam

THE " USELESS" ORGAN :- The Advocate s making most amusing efforts to impress the public with the fact that it is a recognised Conservative organ. Its so-called editorials still endorsing the bargain made by the Government with the Pacific Railway Syndicate, its opinion that "moral victories" are contemptible in comparison tion of the Montreal Star's silly estimate of the strength of the Liberal Party, are all of the most genuine Tory pattern, but their second-hand and "gauzy" character rob them of both force and effect.

bas so far been a fine one for outdoor work, and there being but little snow, induced those superintending the erection of the hailding to proceed with the four-

completing the main building, and leav- of the hill rising from the brook it should them to be first class and reliable, doing ther on in the season. -Advocate.

SHIPPING:-The tonnage owned in New Brunswick in 1881 as compared with the

275,879 5,181 2,185

ests are by no means dormant, there being about 20,000 tons. At Kouchibouguac, Mr. Joseph Sullivan is building a barque of 900 tons for Mr. Geo. McLeod. At Kingston, Messrs. Jardine Bros. have in frame a barque of 800 tons.

PERSONAL :- S. Parker Tuck, Esq., C. E., of St. John and well known to many fully recovered.

ably interested in a marriage notice in another column. Mr. Ridling was much Horse Lost.—On Wednesday of last esteemed here, and is, apparently, meetweek, at one of Mr. Daurel McLaughliu's ing with deserved success in his new

Bushville. During Christmas week he speaks of the handsome furnishings, and enjoyed a cariboo hunt on Bartibog plains, refers particularly to the taste and skill don it. with Mr. James Connell as guide and of Mrs. Purcell in this connection. We wish our old friend and his lady many

happy years in "Fairvi 1 ."-Advocate. Frozen to Death. On Saturday, the last day of last year, fourth violation of the Scott Act and years ago. The Advocate says the deceas. an old man named John Murphy, well sentenced to two months' imprisonment, ed was at one time employed with Messrs. known in Derby, started from Colpaugh's Judge Weldon has granted a rule nisi to on Renous River, to cruise the woods in the vicinity of Monoghan Brook in search with a view to quash the conviction on of spars. He stopped at Monoghan's the ground that the Act does not recog-Camp en route and left there on Sunday nize a fourth offence as such; but that a BADLY FROZEN:—On Christmas Eve a (New Years Day.) Next day his tracks party charged with an offence, after havyoung Swede named Oskar was found on were seen in the woods and one of his ing been convicted of a third offence, the Miramichi Road with both feet badly mitts was found in a log yard connected must be proceeded against and, if convictfrozen, and was brought here to the Alms with one of Mr. Dan'l McLaughlin's ed, fined for a first offence. This simply House. It became necessary to remove operations. It was evident that the mitt means that for a fourth offence no heavier the frozen members, and on last Sunday had been lost in the night as there were penalty can be imposed than for a first, morning, Dr. Patterson, assisted by Drs.

Jacob and Currie, amputated both feet man had groped about endeavoring to find above the ankle joint. He is now doing it. Mr. McLaughlin on learning the as well as can be expected. - Fredericton facts sent word to Langau's Camp to have search made, which resulted in the finding

> as the cause of death was undoubtedly due to exposure consequent upon the un fortunate man having lost his way in the woods. Visit of the Metropolitan-A Valu

place on Mo

able Gift. The Most Reverend, the Metropolitan, vas present and preached at the services A Course of Lectures will be held at in St. Paul's and St. Mary's Churches on of Mr. George S. McCord, Manager of the in St. Paul's and St. Mary's Churches on Sunday last. His Lordship's sermons were as usual most interesting and instructive, and were listened to by large and uppreciative congregations. At the even the control of Mr. George S. McCord, Manager of the Great North Western Telegraph Company at this place, which took place at Sackville that morning. Heart disease was appreciative congregations. At the even the control of the c Bay du Vin Schoolhouse, District No. 5. Sunday last. His Lordship's sermons appreciative congregations. At the even the cause of his death. For some time ing service in St. Mary's Chapel, the pray- past he had been complaining of a severe King's College, Windsor, N. S., delivered the second on Thursday, the 5th Jan. Rector of Maugerville. The musical parts of the service were rendered in an excellent previous he left Bathurst for Sackville by manager by the Choir—the Organist, Miss the night train, for the purpose of consult-Benson, performing her part admirably.— ing Dr. Moore of that town—with whom Very much interest was added to the ser-vices in St. Mary's on account of the Wednesday morning he ate a more hearty presence in its place, of the very handsome breakfast than usual, and drove to Dr. east window, which has been given by the Moore's office. On entering the office he Metropolitan. This window was originally placed in Exwick Chapel in Exeter, pired almost at once. Restoratives were England, of which Dr. Medley was Vicar applied, but without effect. Mr. McCord when his Lordship was appointed to the has been in Bathurst for about nine Bishopric of Frederictou. The window months, during which time he had won dome 4 ft. 6. It will have two large flues contains six subjects, 3 of which represent for himself many friends. In his official and over sixty 4 inch return tubes ten feet long which, with water-back connection, will make a excellent steam generation. The figures of Our Lord, with the Apost capacity he was most obliging and attentive, and by his genial and hearty manner these figures are representations of the The Relief is to be thoroughly overMiracle in Cana, the Good Shepherd, and
He was a member of St. Luke's Preabyhauled and repaired this winter and willdoubtless, come out "nearly as good as"

St. Peter walking on the Water. The
window is triple lighted, with handsome
in the Sabbath School, where he will be tracery above. The necessary wood work for the window has been done in the most workmanlike manner by Mr. John Mc- and Weddall in their respective prayer Donald, of Chatham, and reflects great credit upon his skill. The whole appear evenings last and also by the Rev. Mr. ance of the window adds very greatly to Street on Sunday evening last, who spoke the completeness of the Church, and the in warm terms of the deceased gentleman, Rector and congregation are to be con-both in his public and private capacity. gratulated upon their possession of so He leaves a young wife and four small munificenta gift from the venerable Metro- children to mourn the loss of an affection politan.

### The Church Street Job.

We had occasion, a few weeks ago, to refer in terms of commendation to the THE KENT NORTHERN has had its first new Fire Department reservoirs then accident, the rails spreading and a locomotive running off. It was got on the irons now supposed to be finished a more coragain without much difficulty. Mr. John rect opinion may be formed of it. With C. Brown, the contractor, is in Ontario out knowing who is responsible individual. C. Brown, the contractor, is in Ontario out knowing who is responsible individual plary man and won the steem and respect purchasing some rolling stock for the road, and is about leaving Toronto with a first ularly, it is our plain duty to say that the he removed to Rimouski and more recent class passenger car. The road is running reservoir on Church Street is a job reflecting little credit on anyone. The "tank" the talwarmh office there were to Rimouski and more recent ly he has resided at Bathurst in charge of the "tank". as or near to Molus river-say about 12 is some thirty feet long, ten feet wide and as or near to Molus river—say about 12 miles—and a good deal of freight from St.

John has been sent over it. If the rails

John has been sent over it. If the rails struction—the putting of the work to gether—we presume it is all right. It may be well made and tight and we believe it is, but in the matter of placing it, from the excavating to the final stroke as been duplayed an decomposition. A Bowser accompanied THE NEWCASTLE KINK.—The contraction of the excavating to the library and his employees tor, Mr. James Troy, and his employees ignorance and want of mechanical skill ed the hall and were proceeding toward are doing good work at the Rink. The which ought to be made the subject of the office, when Mr. McCord fell insensible foundation and platform have been laid serious enquiry. The sand, stones and to the floor and was in a few minutes around the skating and curling rink; the earth excavated, amounting to some three dead." side walls and entrance to the main build | hundred cubic yards, have been dumped ing are up and rough boarded, and the promiscuously over the street in the frame of the side walls of curling rink are vicinity and left without being leveled off. being raised, and will be all up and The result is that teams must avoid Some people have a fashion of confusing ded in in a day or two. The founda-for the centre tower is being laid, and along the sidewalk. A few feet of snow "patent medicines," and in this way they work will be commenced at the roof as may render a "portage" over the obstruct are guilty of a wrong. There are some soon as the side walls are up. The season tions possible, but when spring comes the advertised remedies fully worth all that

Instead of this, however, it is not sunk into the ground more than half its depth, while one end is as much as a foot higher than the other, the whole thing looking more 270.186 like a poorly constructed butt for target 19,250 | shooting than a reservoir built and placed 17,944 by mechanics to serve an important public

3,342 It may be said that this or that mishap 1,711 took place while the work was being done, It may be said that this or that mishap 333,207 but nothing happened which prudence and a competent foresight might not have At the present time shipbuilding interascertain where the blame for this bungled under construction, vessels aggregating job rests, and steps should be taken to prevent any more such monuments of in-

Curling. The Fredericton Curling Club have de, cided to accept the challenge of the Thistle Miramichi people, was considerably injured by being thrown from a waggon on an embankment of the Thomson River, B.C., The skips are J. S. Neill, T. G. Loggie, a few days ago. He is recovering now. Mr. Wm. Muirhead, Jr., who was laid to the Chatham Club to play in up with a sprained ankle, is now able to St. John the day after the match with the walk about, and will, no doubt, soon be Thistles. The following were the skips elected to play the Chatham Club:-M. J. The many friends here of Mr. A. G. McLaughlin, F. McIunis, E. A. Smith Ridling, who left Miramichi a few years and H. C. Rutter. The Chatham Club since for Western Canada, will be agree- have accepted the Fredericton Club's Challenge.

The Canada Temperance Act.

The Canada Temperance Act is to come into effect in Northumberland on Tuesday next and there is considerable interest tion of the constitutionality of the Act is The young man is a son of Mr. George still pending before the highest court of Brown, of Newcastle. He studied in the appeal in the Empire, some of the dealers office of the Montreal Telegraph Co. here, feel disposed to go on with their business, however, would be an expensive process is now looked upon as a very efficient and it is quite probable that there will be elegraphist.—Advocate.

We are informed that P. Purcell, Esq., week. It is to be hoped that the places railway contractor, well and favourably where liquors have heretofore been sold known to Northern people, has retired without license will be closely watched, from railway operations (having in all and their proprietors severely dealt with probability made his "pile,") and has should they be caught violating the law. purchased a splendid estate near his old home in Cornwall, Ont., on which he has places, that have worked the evils so where he intends to spend the remainder legislation necessary. If respectable and Ladies' Lace and Chenille ness, let the others be compelled to aban. TIES,

The Fredericton Capital says that a new point has been raised in convictions under the Scott Act. It is reported that in the case of Thomas Dunphy, convicted of a SLIPPERS,

Death of Geo. S. McCord, Esq. On Thursday last we received a despatch from Sackville, announcing the sud den death at that place, of Geo. S. McCord, Esq., Manager of the great North Western Telegraph Company at ouday. No inquest was held Bathurst. The despatch said he was in ill health before he left Bathurst, and the fatigue and exposure of the journey in his weak state developed sudden congestion of the lungs, and while consulting Dr. Moore, he suddenly expired.

Our Bathurst correspondent gives fuller part:culars as follows:-"Our community was startled on Wednesday last by news of the sudden death unmediately dropped to the floor, and ex

ate nusband and kind father, and to whom our united community tender their heartfelt sympathy in their sad affliction." The Sackville Transcript of Friday last

"Mr. McCord was well known in this village, having been for very many years connected with the telegraph office in this place. He was in every respect an exemthe telegraph office there. Yesterday morning he arrived by the morning train

ILLUSTRATED. "Always varied, always good, always improving."

—Charle's Francis Adams, Jr.

Harper's Magazine, the most popular illustrated periodical in the world, begins its sixty fourner volume with the December Numier. It represents what is best in American literature and art; and its marked surcess in Eigland—where it has already a circulation larger than that of any English magazine o. the same class—has brought into its service the most eminent writers and artists of Great Britain. The orthcoming volumes for 1882 will in every respect surpass their prec, bessors.
