His clothing was soiled and tern; his

face was grimy; his blonde hair was one rough tangle. And yet his aspect was not distinctively that of a child of the streets-he had not the leer, the swagger, the bravado that characterize one whose cradle had been the gutter, whose Inliabys have been the groans of sin and poverty.

DR. B. J. KENDALL & CO., Gents: Having used a good deal of your Kendall's Spavin Cure with great success, I thought I would let you know what it has done for rue. Two years ago I had as speedy a colt as was ever raised in Jefferson County. When I was breaking him, he kicked over the cross bar and got fast and tore one of his hind legs all to pieces. I employed the best farriers, but they all said he was spoiled. He had a very large thorough-pin, and I used two bottles of your Kendall's Spavin Cure, and it took the bunch entirely of, and he sold afterwards for \$1800 (doi-lars.) I have used it for bone spavins and wind galls, and it has always cured completely and left the leg smooth.

It is a spiendid medicine for rheumatism. I have recommended it to a good many, and they all say it does the work. I was in Witherington & Kneeland's drug store, in Adams, the other day and saw a very fine picture you sent them. I tried to buy that you would send meen. I will write to you that you would send meen. I will write to you that you would send meen. Ewis you would, and I will do you all the good I can.

From the Akron Commercial. From the Akron Commercial, Ohio, of Nov. 25th, 1882.

Readers of the Commercial can not well forge that a large space has for years been taken up by Kendall's advertisements—especially of a certain Sparin Cure. We have had dealings with Dr. Kendall for many years, and we know of some large nusiness houses in cities near by who have also dealt with him for many years, and the truth is fully and faithfully proven, not only that he is a good honest man, and that his celebrated Spavin Cure is not only all that it is recommended to be, but that the English Language is not capable of recommending it too highly.

Kendall's Spavin Cure will cure spavins. There are hundreds of cases in which that has been provent our certain knowledge, but, after all, if any person confines the usefulness of this celebrated medicine to curing spavins alone, they make a big mistake. It is the best medicine known as an outward application for rheumatism in the human family. It is good for pains and aches, swellings, lameness, and is just as safely applied to men, women and children as it is to horses. We know that there are other good liniments, but we do believe this spavin cure to be far better than any ever invented. Quality

riutchisson's Ranch, 12 miles north of Denver, Col.

Dr. B. J. Kendall, & Co., Geuts:—For the past
three years I have used Kendall's Spavin Cure. In
every case of spavin, of which I have treated five,
thas killed them all, and entirely removed three.
In case of splint I find it has no equal, one case I
had was of three years standing and the Spavin
Cure removed it entirely. I had a cow get spavined and it entirely cured her. One year ago a two
hundred pound block of ice fell out of a wagon
striking my foot on instep and toes, it would be
mpossible to mash a foot worse without breaking
any bones. I was taken home and carried into the
house. I do not think amputation of the leg would
cause any more pain. I sent for Kendall's Spavin house. I do not think amputation of cause any more pain. I sent for Ker Cure, it was all I used, and in six walk around. About three weeks a ran away and threw me out of the way wheel struck my knee. After applighly recommended liniments with any relief, I went for Kendall's Spay I am very respectfully yours, Oscar F. B. J. Krnnall. & Co., Gents:—I feel it a duty to others suffering with the piles and falling of the rectum to write you. I have had the piles and prolapsus of the rectum for five years, for the past three years I have suffered the most agonising pain. Tried everything without relief, but after ten days use of Kendall's Spawin Cure I have not seen nor heard of the piles since. One who has not suffered as I have cannot comprehend the great joy that I feel at being cured of a disease almost worse than death. I had a valuable young horse that had a large bunch gather on his breast bone. I tried all kinds of inliments and had it cut open without any benefit. Saw your advertisement and bought a bottle of Kendall's Spavin Cure and ordered my teamster to use as directed. In liess than one week the lump had disappeared.—Thinking that a liniment that would do what Kendall's Spavin Cure has done for my horse might benefit more. I tried it as a last resort.

With gratitude and best wishes for your success, I am faithfully yours,
