The surface in the path of the city are religious are recorded to different path of the vising path of the path of the city are religious are recorded to different path o the years 1888, 1889 and 1880 has been 128,982, 156,929, and 143,298 tons respectively.

N. B. and N. S. Deals—The import has been moderate, viz., 6,825 standards, against 14,036 standards in the corresponding month last year; the deliveries have been satisfactory, and the stock is considered being found some rods from the houses they were in when the storms struck. At the Coleman House every room upstains was filled with cots, upon which the wounded were laid, and a corps of physicians were busily working, setting and amputating limbs and dressing wounds. A number of others were carried to private houses.
